

Fig.6 Composite index: projects / heritage corridor / road hierarchy / key areas / nodes / AI touchpoints (300 m service radius) / phasing

Centennial Railway Narrative × Agent New Infrastructure — Open-Call Urban Design, Jingzhang AI Innovation Belt

Boundary note: all boundaries and derived metrics are provisional (inferred from announcement text), not official; concept_far = unknown; all indicators recalculated once official geometry and regulatory conditions are released. Open co-creation proposal, not a substitute for formal planning. Thumbnail figure labels are in Chinese; see proposal.en.md for full English text.
