

Overall Design Overview (provisional geometry)

Conceptual Land-Use Structure (9-category scope; colored by recompute from geometry/land_use.geojson)

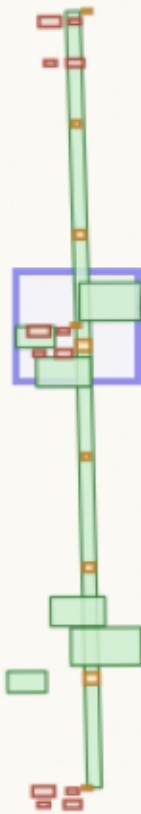

Three Nodes: Index, Components and Spatial Sequence

Youth Maker Hub

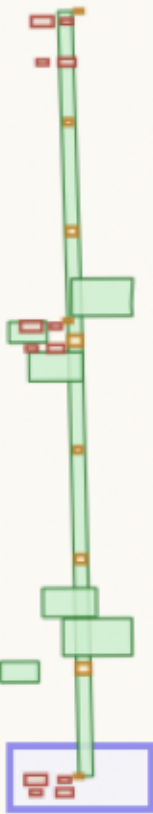

Co-create: pitch, workbench, mentor, membership, honors

Youth Co-living Commons

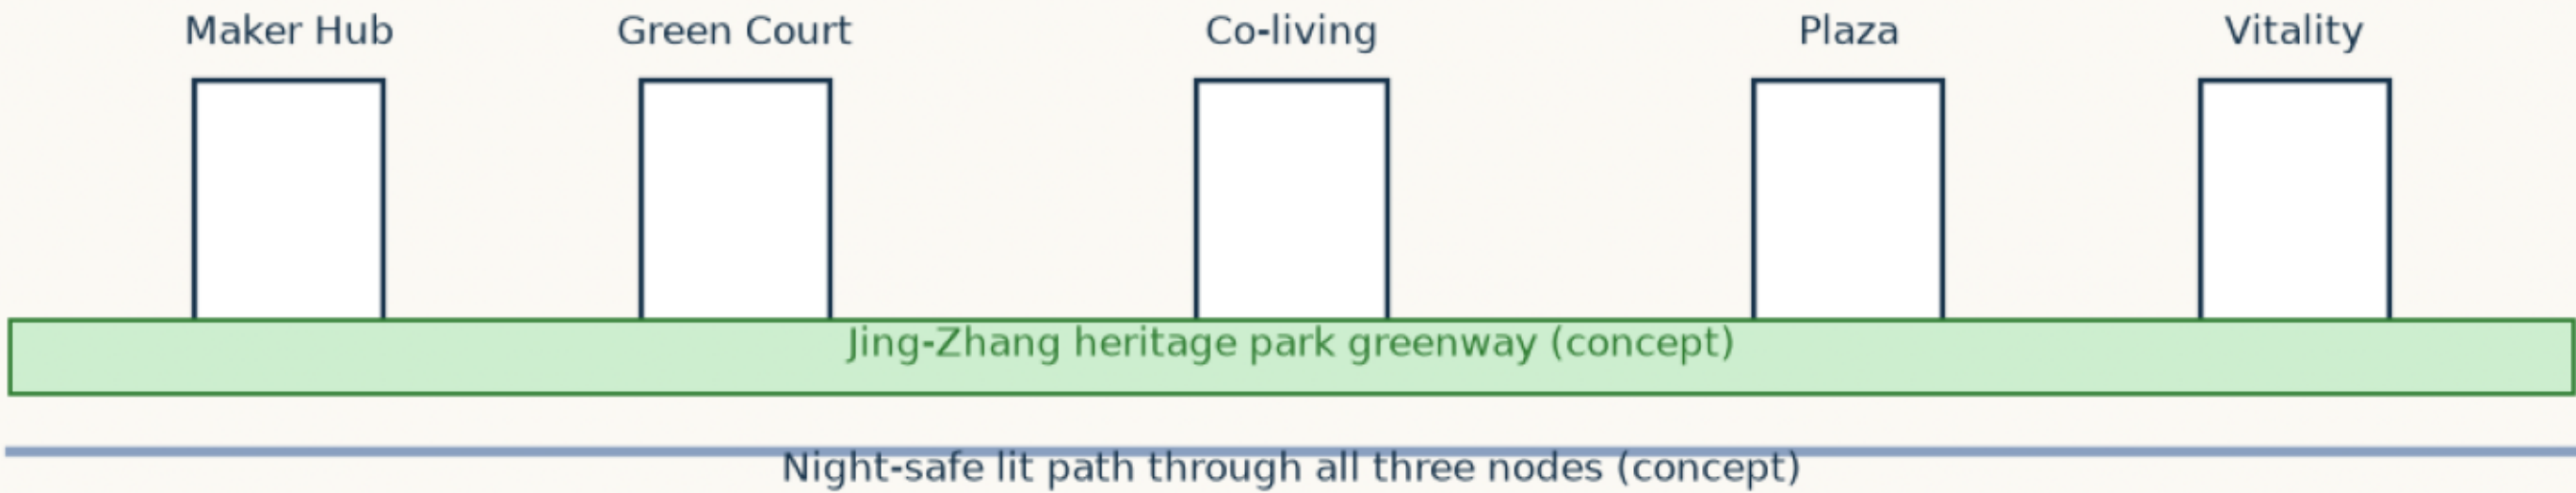

Live: flexible rent, shared kitchen-living, community

Youth Vitality Plaza

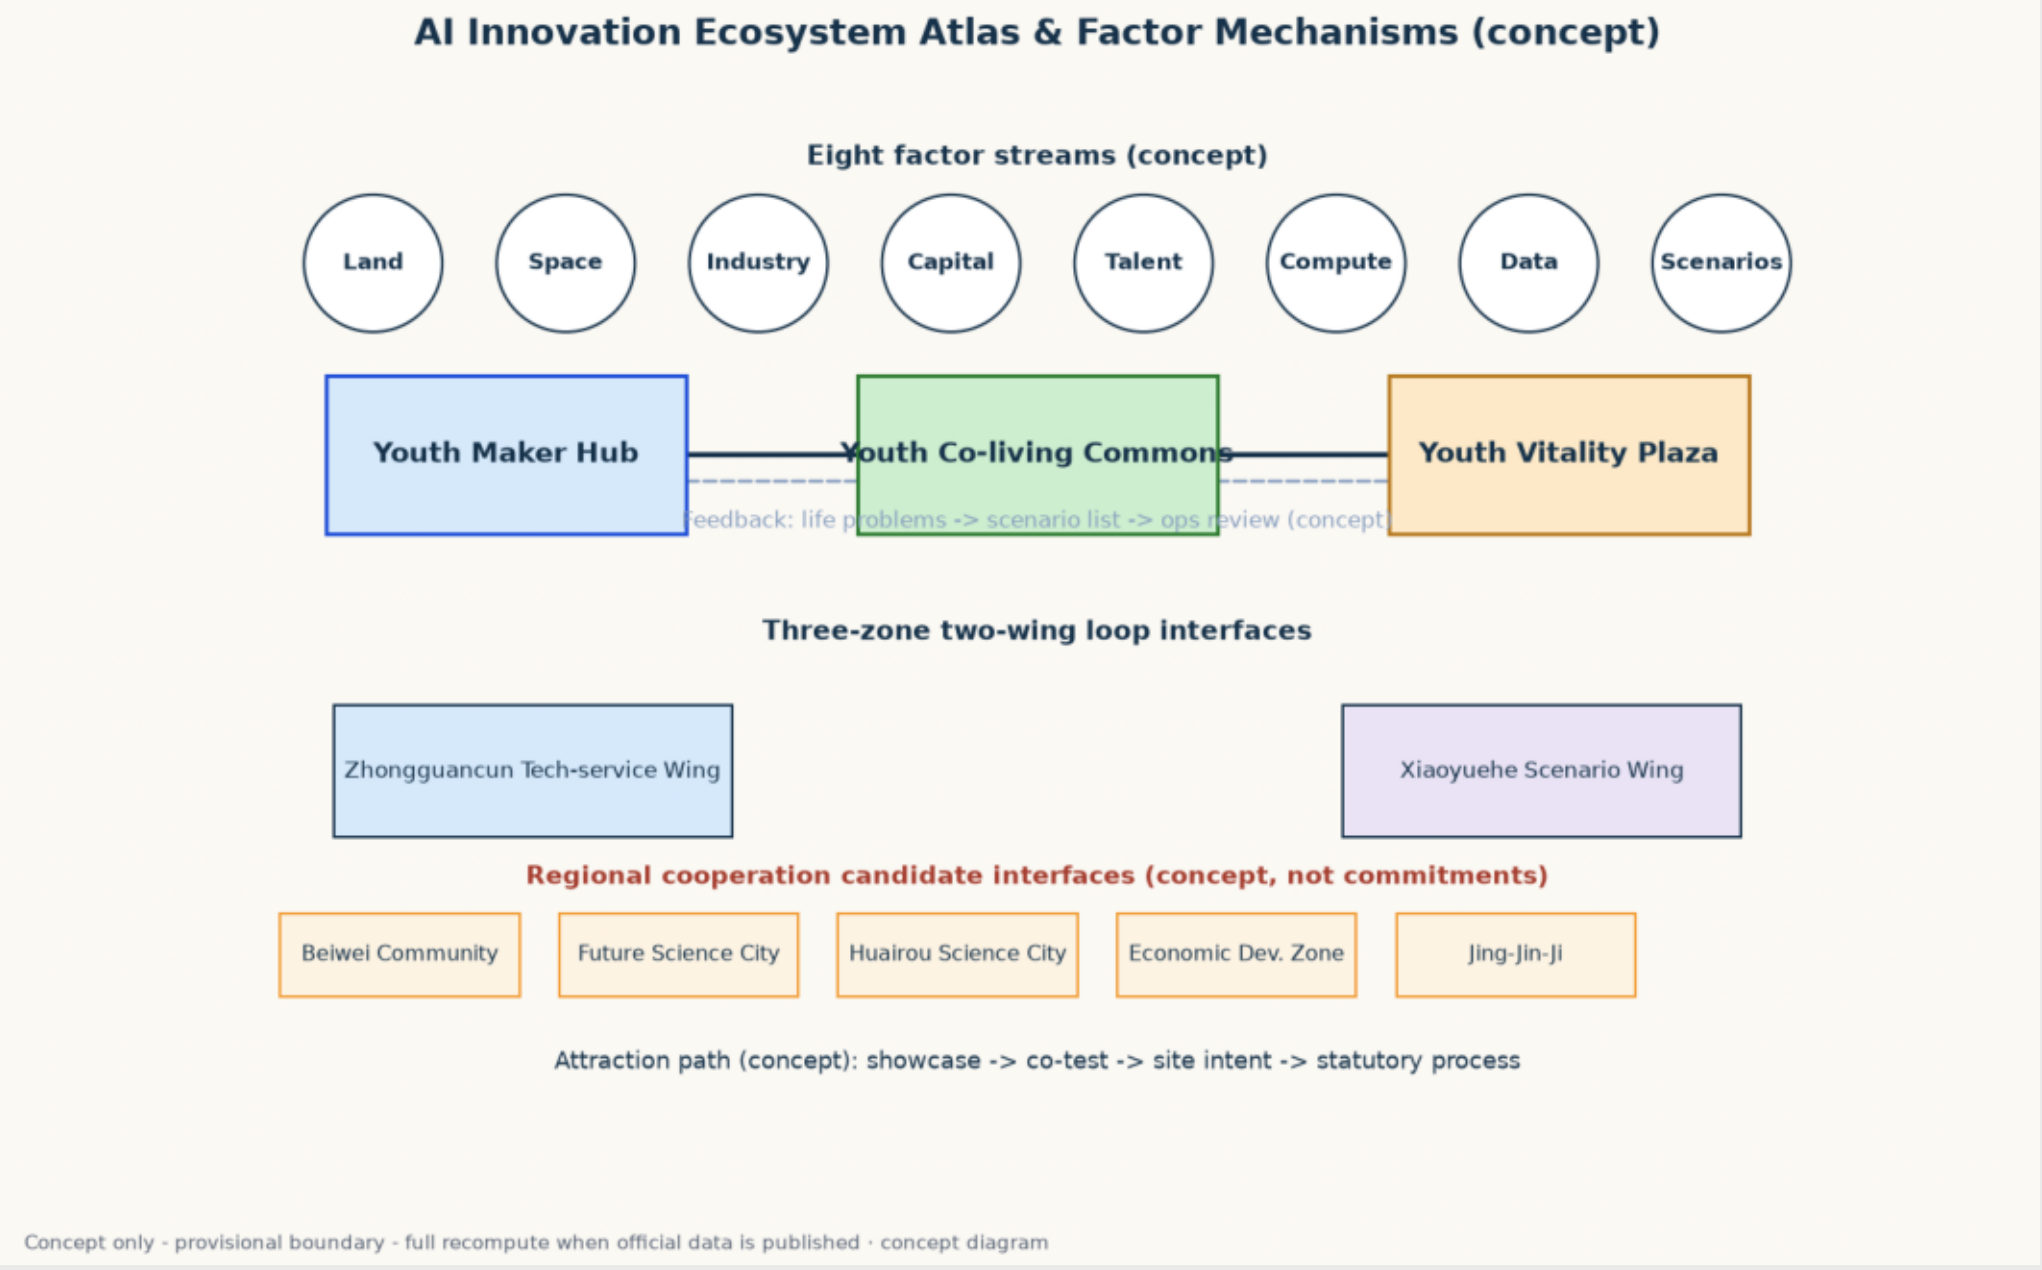

Vitality: open stage, sports, market, night lighting

Spatial sequence (conceptual section along the loop)

Concept only - provisional boundary - full recompute when official data is published · source: geometry/key_areas/building/public_space.geojson

AI Innovation Ecosystem Atlas & Factor Mechanisms (concept)

Slow Traffic & Blue-Green Analysis (concept)
