

JING-ZHANG FOR PEOPLE

City for people. AI for use.

- Innovation resources are concentrated; everyday life deserves more attention.
- The railway becomes a shared public-life spine for everyone.
- AI remains useful, optional, accountable and supported by human service.

Conceptual design evidence using the current provisional work base. It is not a statutory control, approved project or government commitment.

THREE SCALES, ONE PEOPLE-FIRST LOGIC

Evidence basis and submission boundary

Conceptual design evidence · current provisional work base · not a statutory planning control

THREE-LEVEL SCOPE FRAMEWORK

43.6 km² · 11.4 km² · 368.4 ha

- Regional ecosystem, corridor-wide renewal and three detailed areas form one chain.
- The three scales share geometry, metrics and review matrices.

THREE SCALES, ONE PEOPLE-FIRST LOGIC

Evidence basis and submission boundary

Conceptual design evidence using the current provisional work base. It is not a statutory control, approved project or government commitment.

Conceptual design evidence · current provisional work base · not a statutory planning control

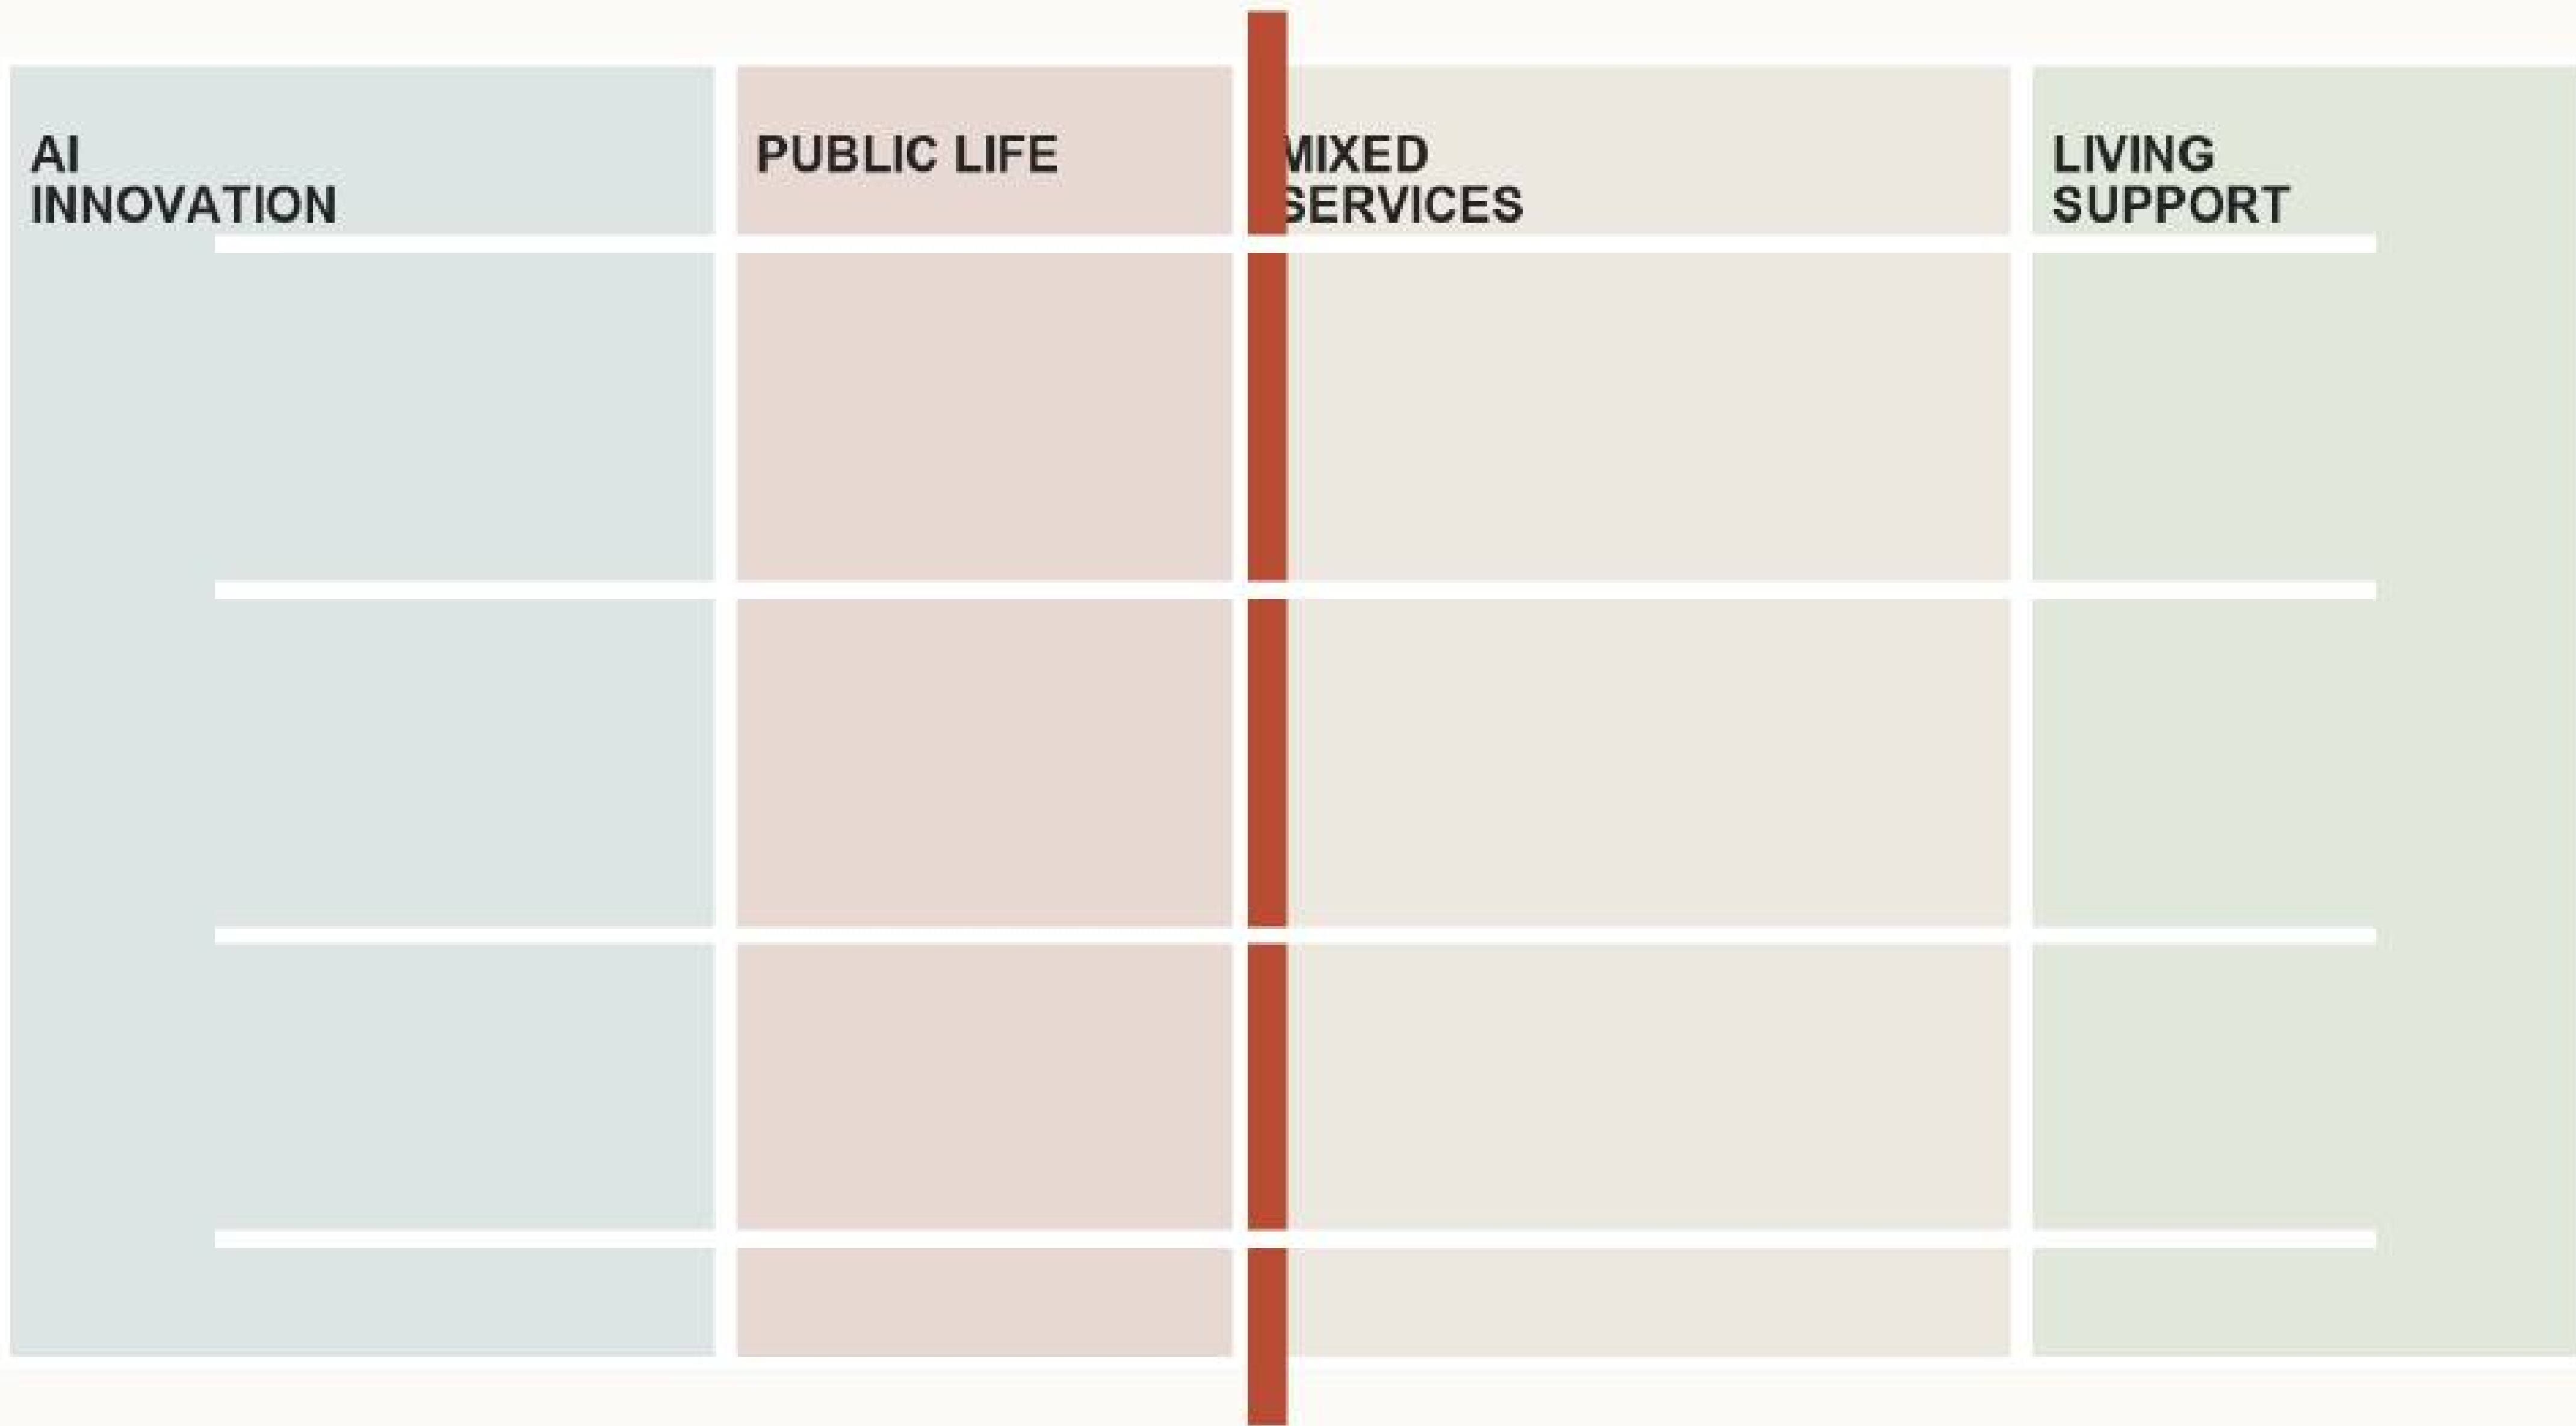

OVERALL DESIGN AREA

One public-life spine, multiple east-west stitches

- Walking, universal access, cycling and transit shape the corridor.
- Mixed functions serve innovation, daily life, care and climate resilience.

ONE PUBLIC-LIFE SPINE, MULTIPLE STITCHES

Conceptual land-use and spatial structure

Conceptual design evidence · current provisional work base · not a statutory planning control

Conceptual design evidence using the current provisional work base. It is not a statutory control, approved project or government commitment.

DETAILED DESIGN OF KEY AREAS

Zhongzhiyuan · AI Origin · Dazhongsi

- Garden-based full-stack innovation.
- Campus-city conversion and public learning.
- Four-quadrant hub and AI life services.

THREE KEY AREAS, THREE DISTINCT ROLES

Detailed-design responsibilities

ZHONGZHIYUAN

Full-stack innovation
+Qinghe waterfront
+Shared technology node

AI ORIGIN

Campus-city conversion
+Public learning
+Open-source community

DAZHONGSI

Four-quadrant hub
+AI life services
+International exchange

Conceptual design evidence · current provisional work base · not a statutory planning control

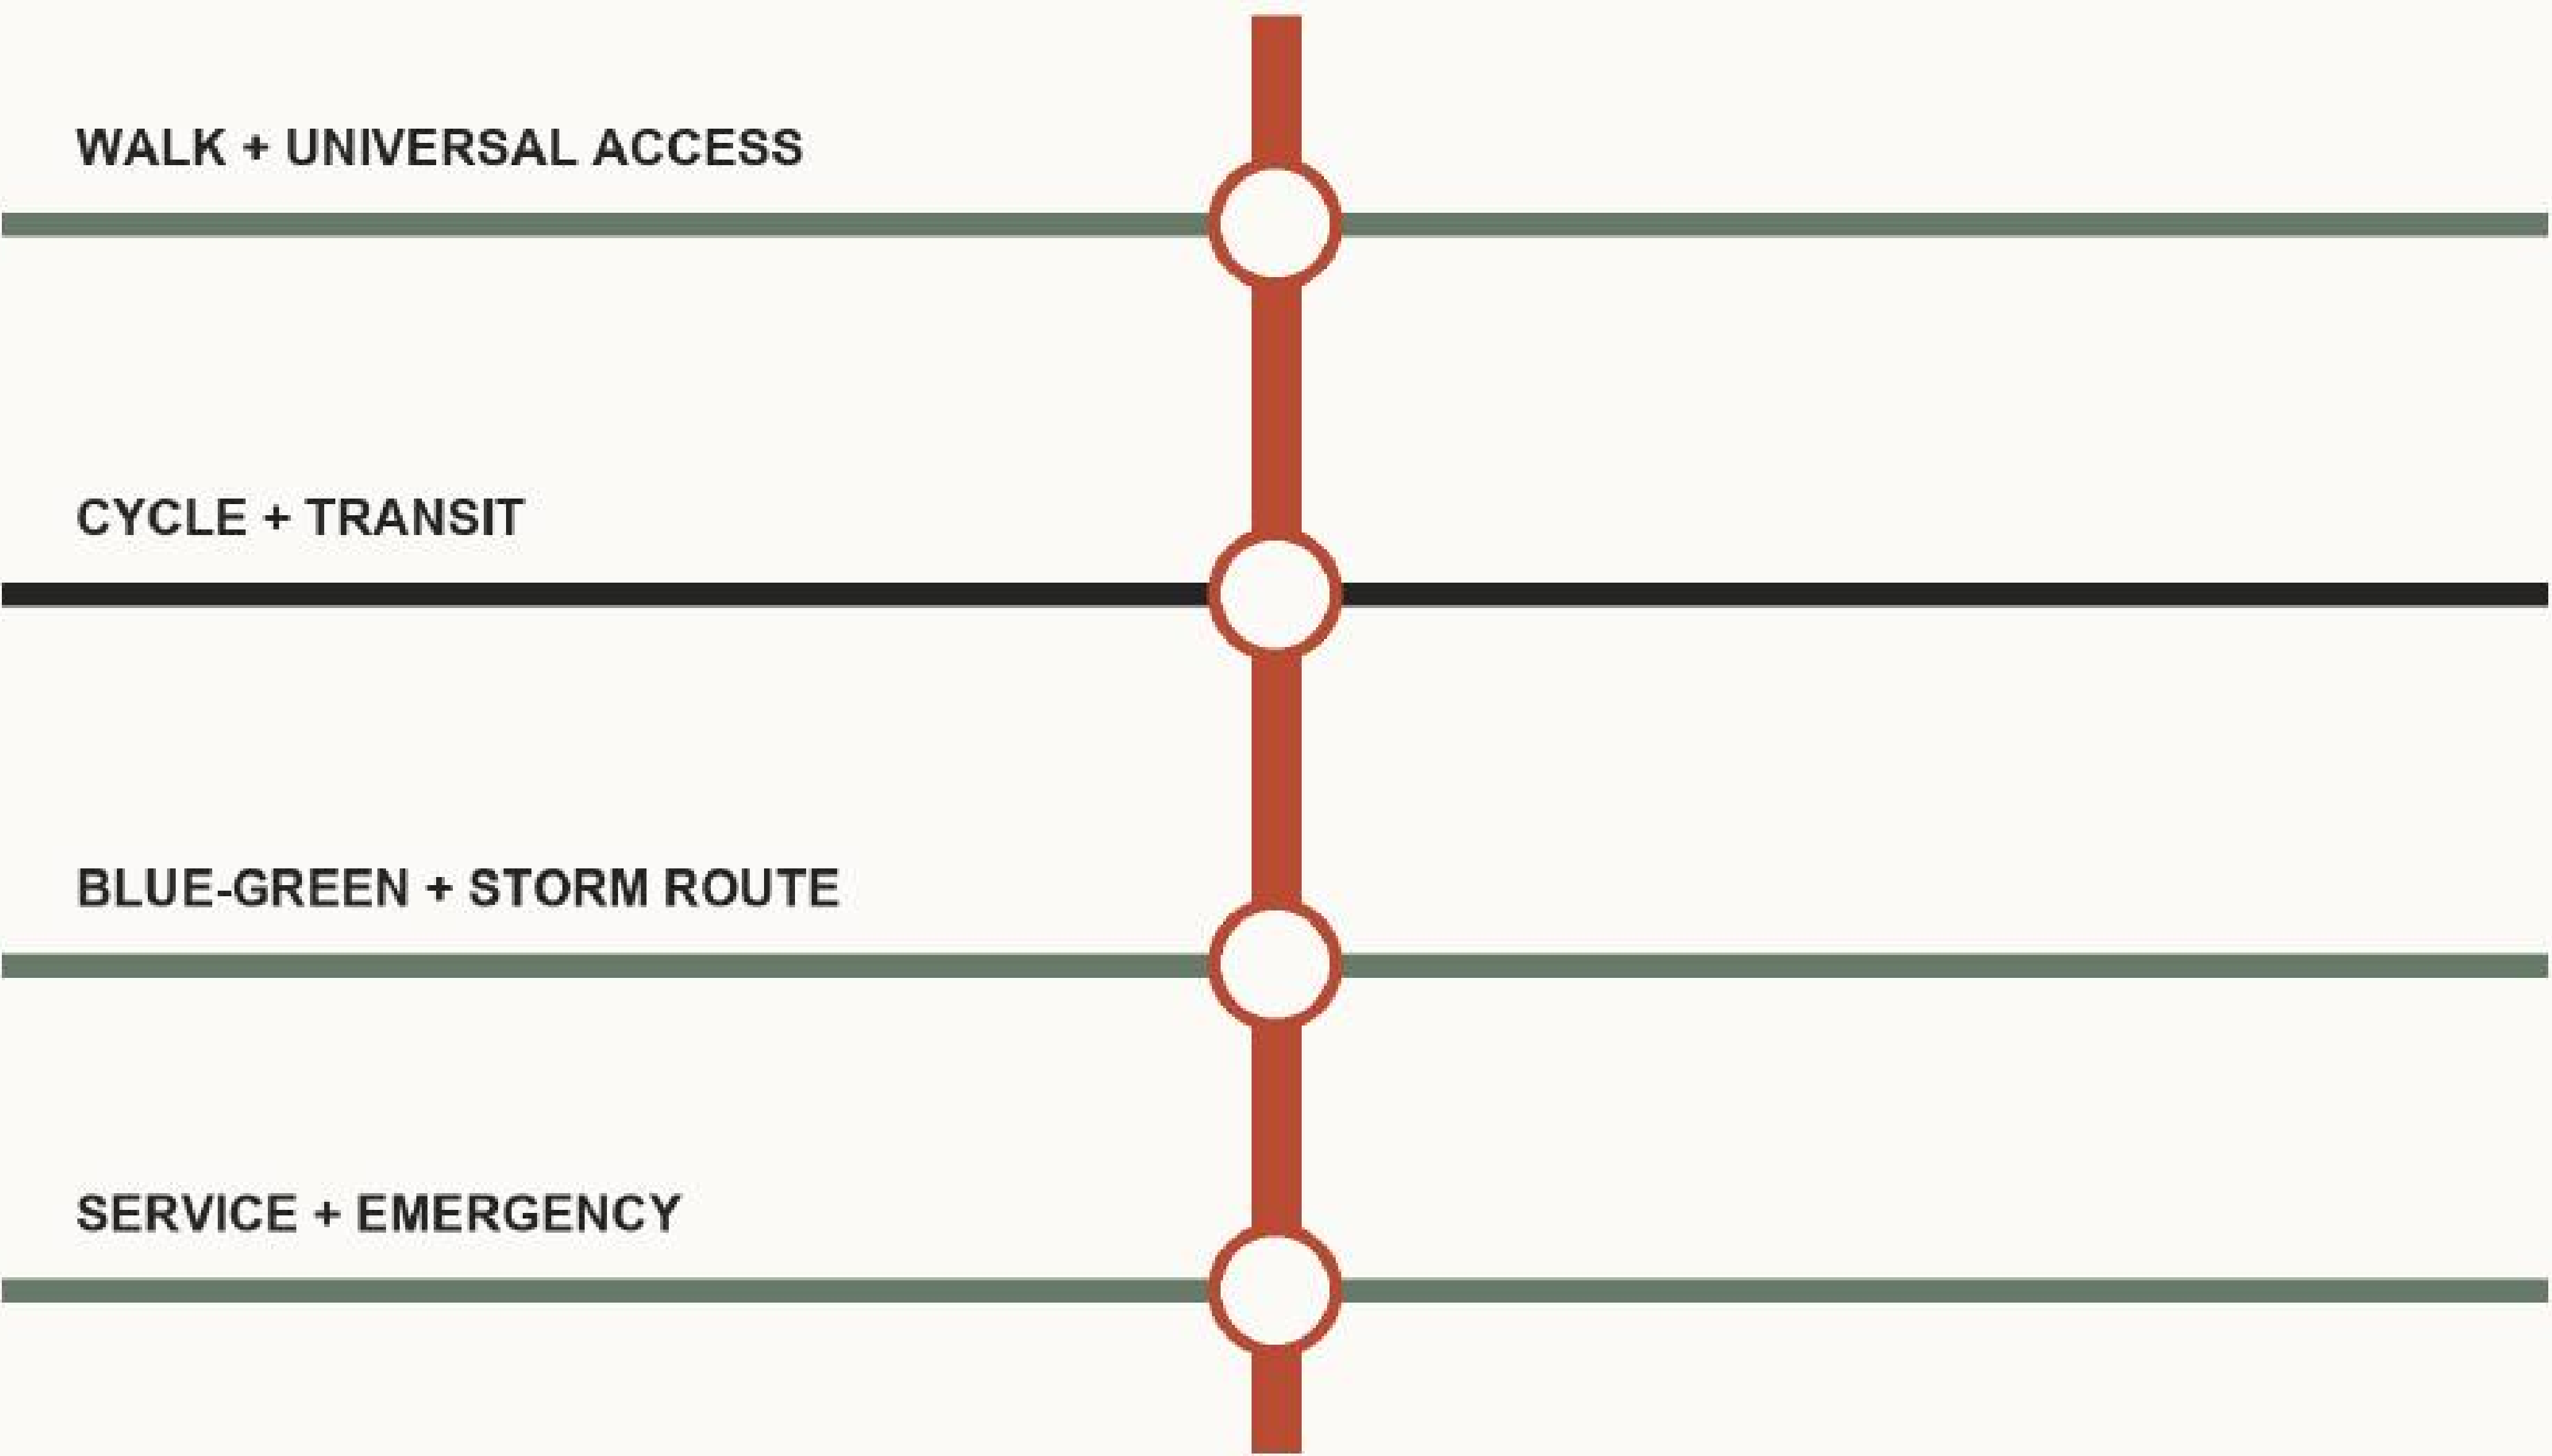

TRANSPORT, INFRASTRUCTURE AND SERVICES

Access first; technology second

- Continuous cross-corridor journeys and station integration.
- Offline and human fallback remain available during failure.

MOVEMENT, CLIMATE AND PUBLIC LIFE AS ONE SYSTEM

Walking and universal access come first

Conceptual design evidence · current provisional work base · not a statutory planning control

Conceptual design evidence using the current provisional work base. It is not a statutory control, approved project or government commitment.

METRICS AND COMPLIANCE

Reproducible concept values, explicit limits

- 17 announcement tasks plus six agent tasks are covered.
- Fifteen design-depth items connect text, drawings, geometry, metrics and review.

AUDITABLE METRICS AND EVIDENCE

Known facts, concept calculations and explicit limits

WORKING SITE

11.41 km²

GREEN RATIO

24.3%

PUBLIC SPACE

14.3%

PROJECT PACKAGES
