

Agent Station Network

A3 booklet · formal package

- One spine, three hubs, two wings, twelve platforms
- Hubs: Verification · Origin Interchange · Market Terminal
- Protocol: publish → board compact → transfer audit → rollback
- 12 scenarios / 5 personas / 3 industry tests / 3 landmarks (concept)
- All spatial ideas are conceptual on provisional boundaries

Provisional boundary · conceptual advice · not statutory planning / not investment commitment

Structure and limits

- Active spine + east-west cross-links
- Reversible lightweight pavilions; no parcel demolition verdict
- FAR remains unknown without official controls
- Phasing is a concept path for professional deepening
- Metric cards are provisional recomputation only
