

JING-ZHANG TWO ANSWERS · OVERALL URBAN DESIGN + THREE ARCHITECTURAL LANDMARKS

OVERALL URBAN DESIGN · ONE UNBROKEN BASELINE, THREE DISTINCT CIVIC LANDMARKS

Public urban fabric supports relational judgement; all boundaries and dimensions await official base and survey

SPATIAL JUDGEMENT, NOT AN ICON LIST

ONE SPINE

Walking, cycling, accessibility, blue-green and staffed service form first

SIX STITCHES

Two east-west public interfaces per landmark; not road redlines

TWO WINGS

Tech-service exchange and civic problems enter one evidence chain

FIRST-SIGHT VERDICT

ALT-A REJECT

ALT-B REVISE

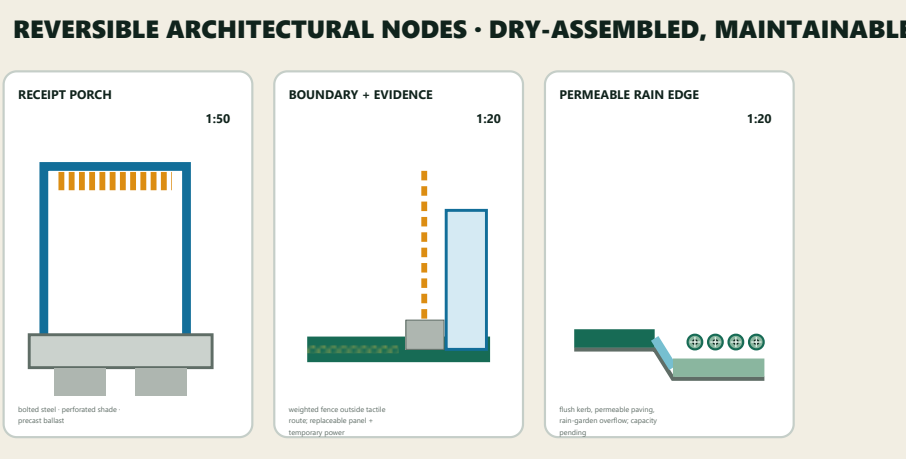

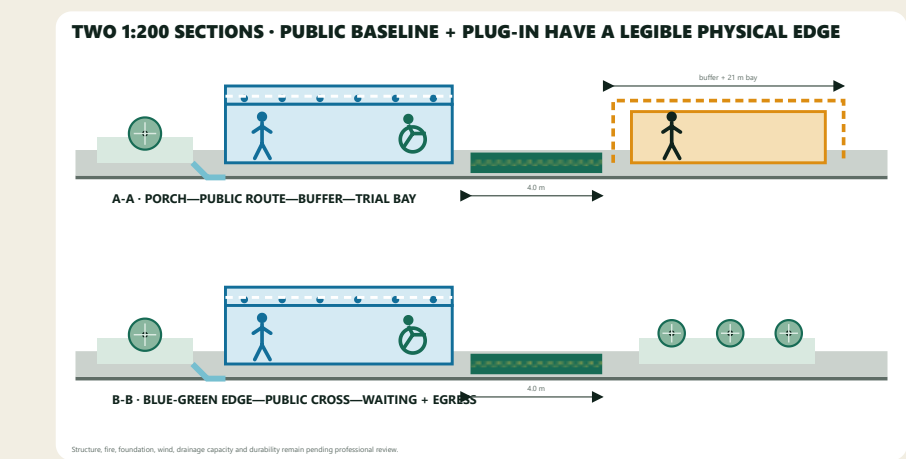

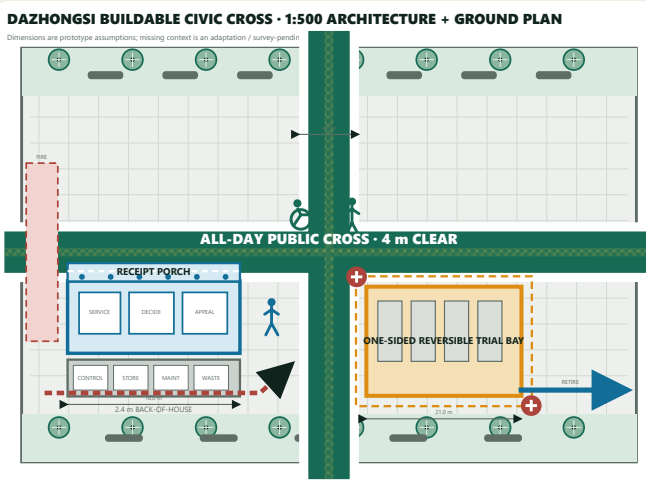

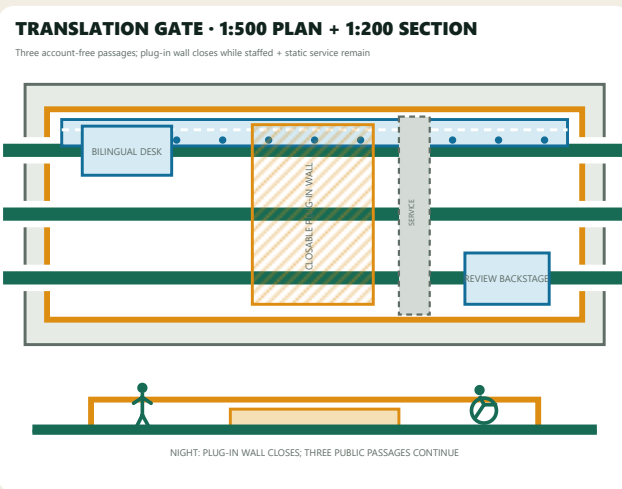

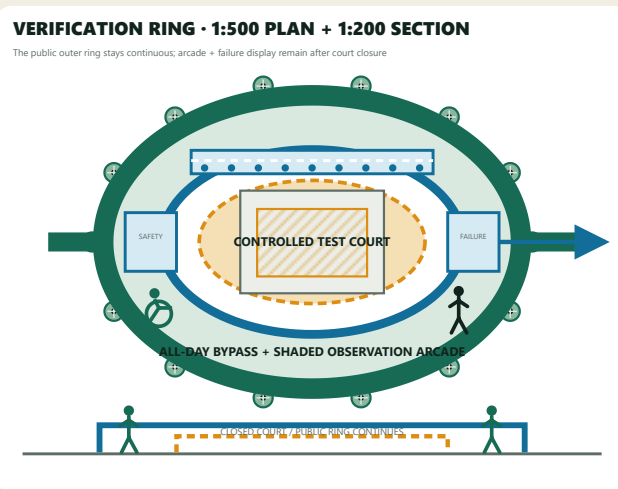

ALT-C ADVANCE

Any option sacrificing the public route leaves the process.

Map data © OpenStreetMap contributors · ODbL · 2026-08-13 · directional reference / provisional boundary / not a statutory plan

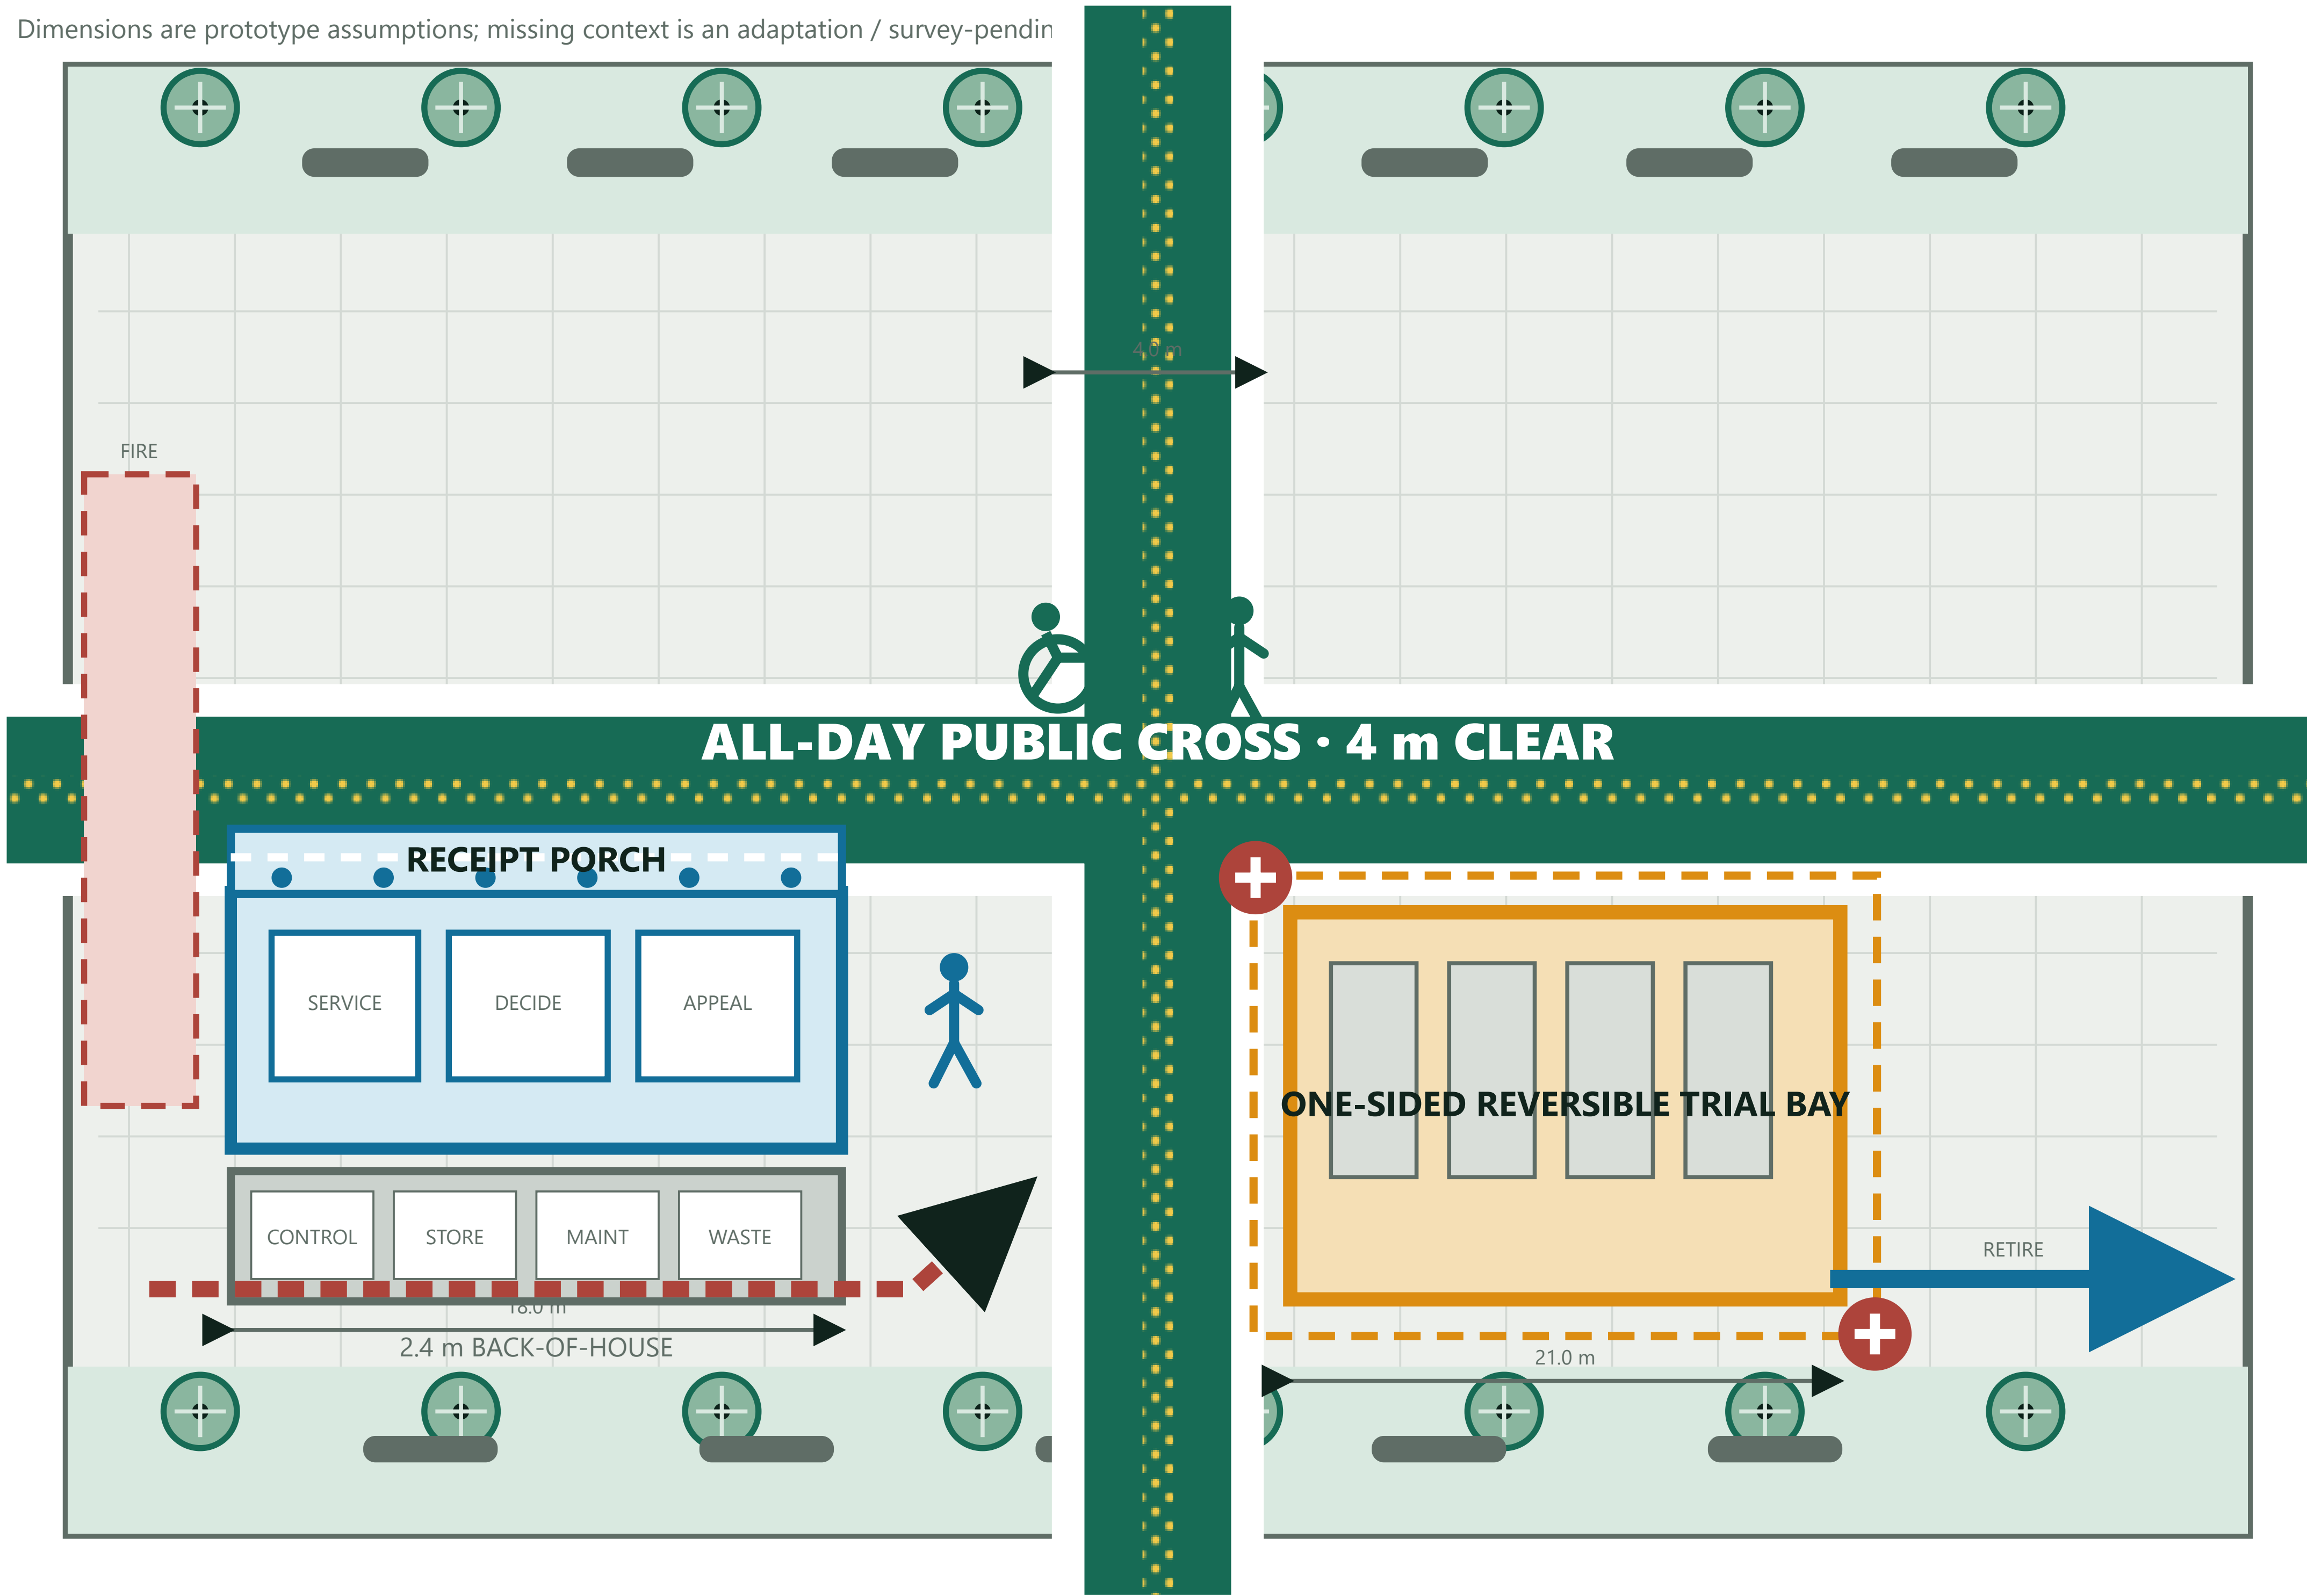

THREE ARCHITECTURAL LANDMARKS · RING, GATE, PORCH SHARE MATERIALS, NOT SPATIAL BONES

Same-scale plan-section-assembly comparison; silhouette, entries and service edge remain legible without titles

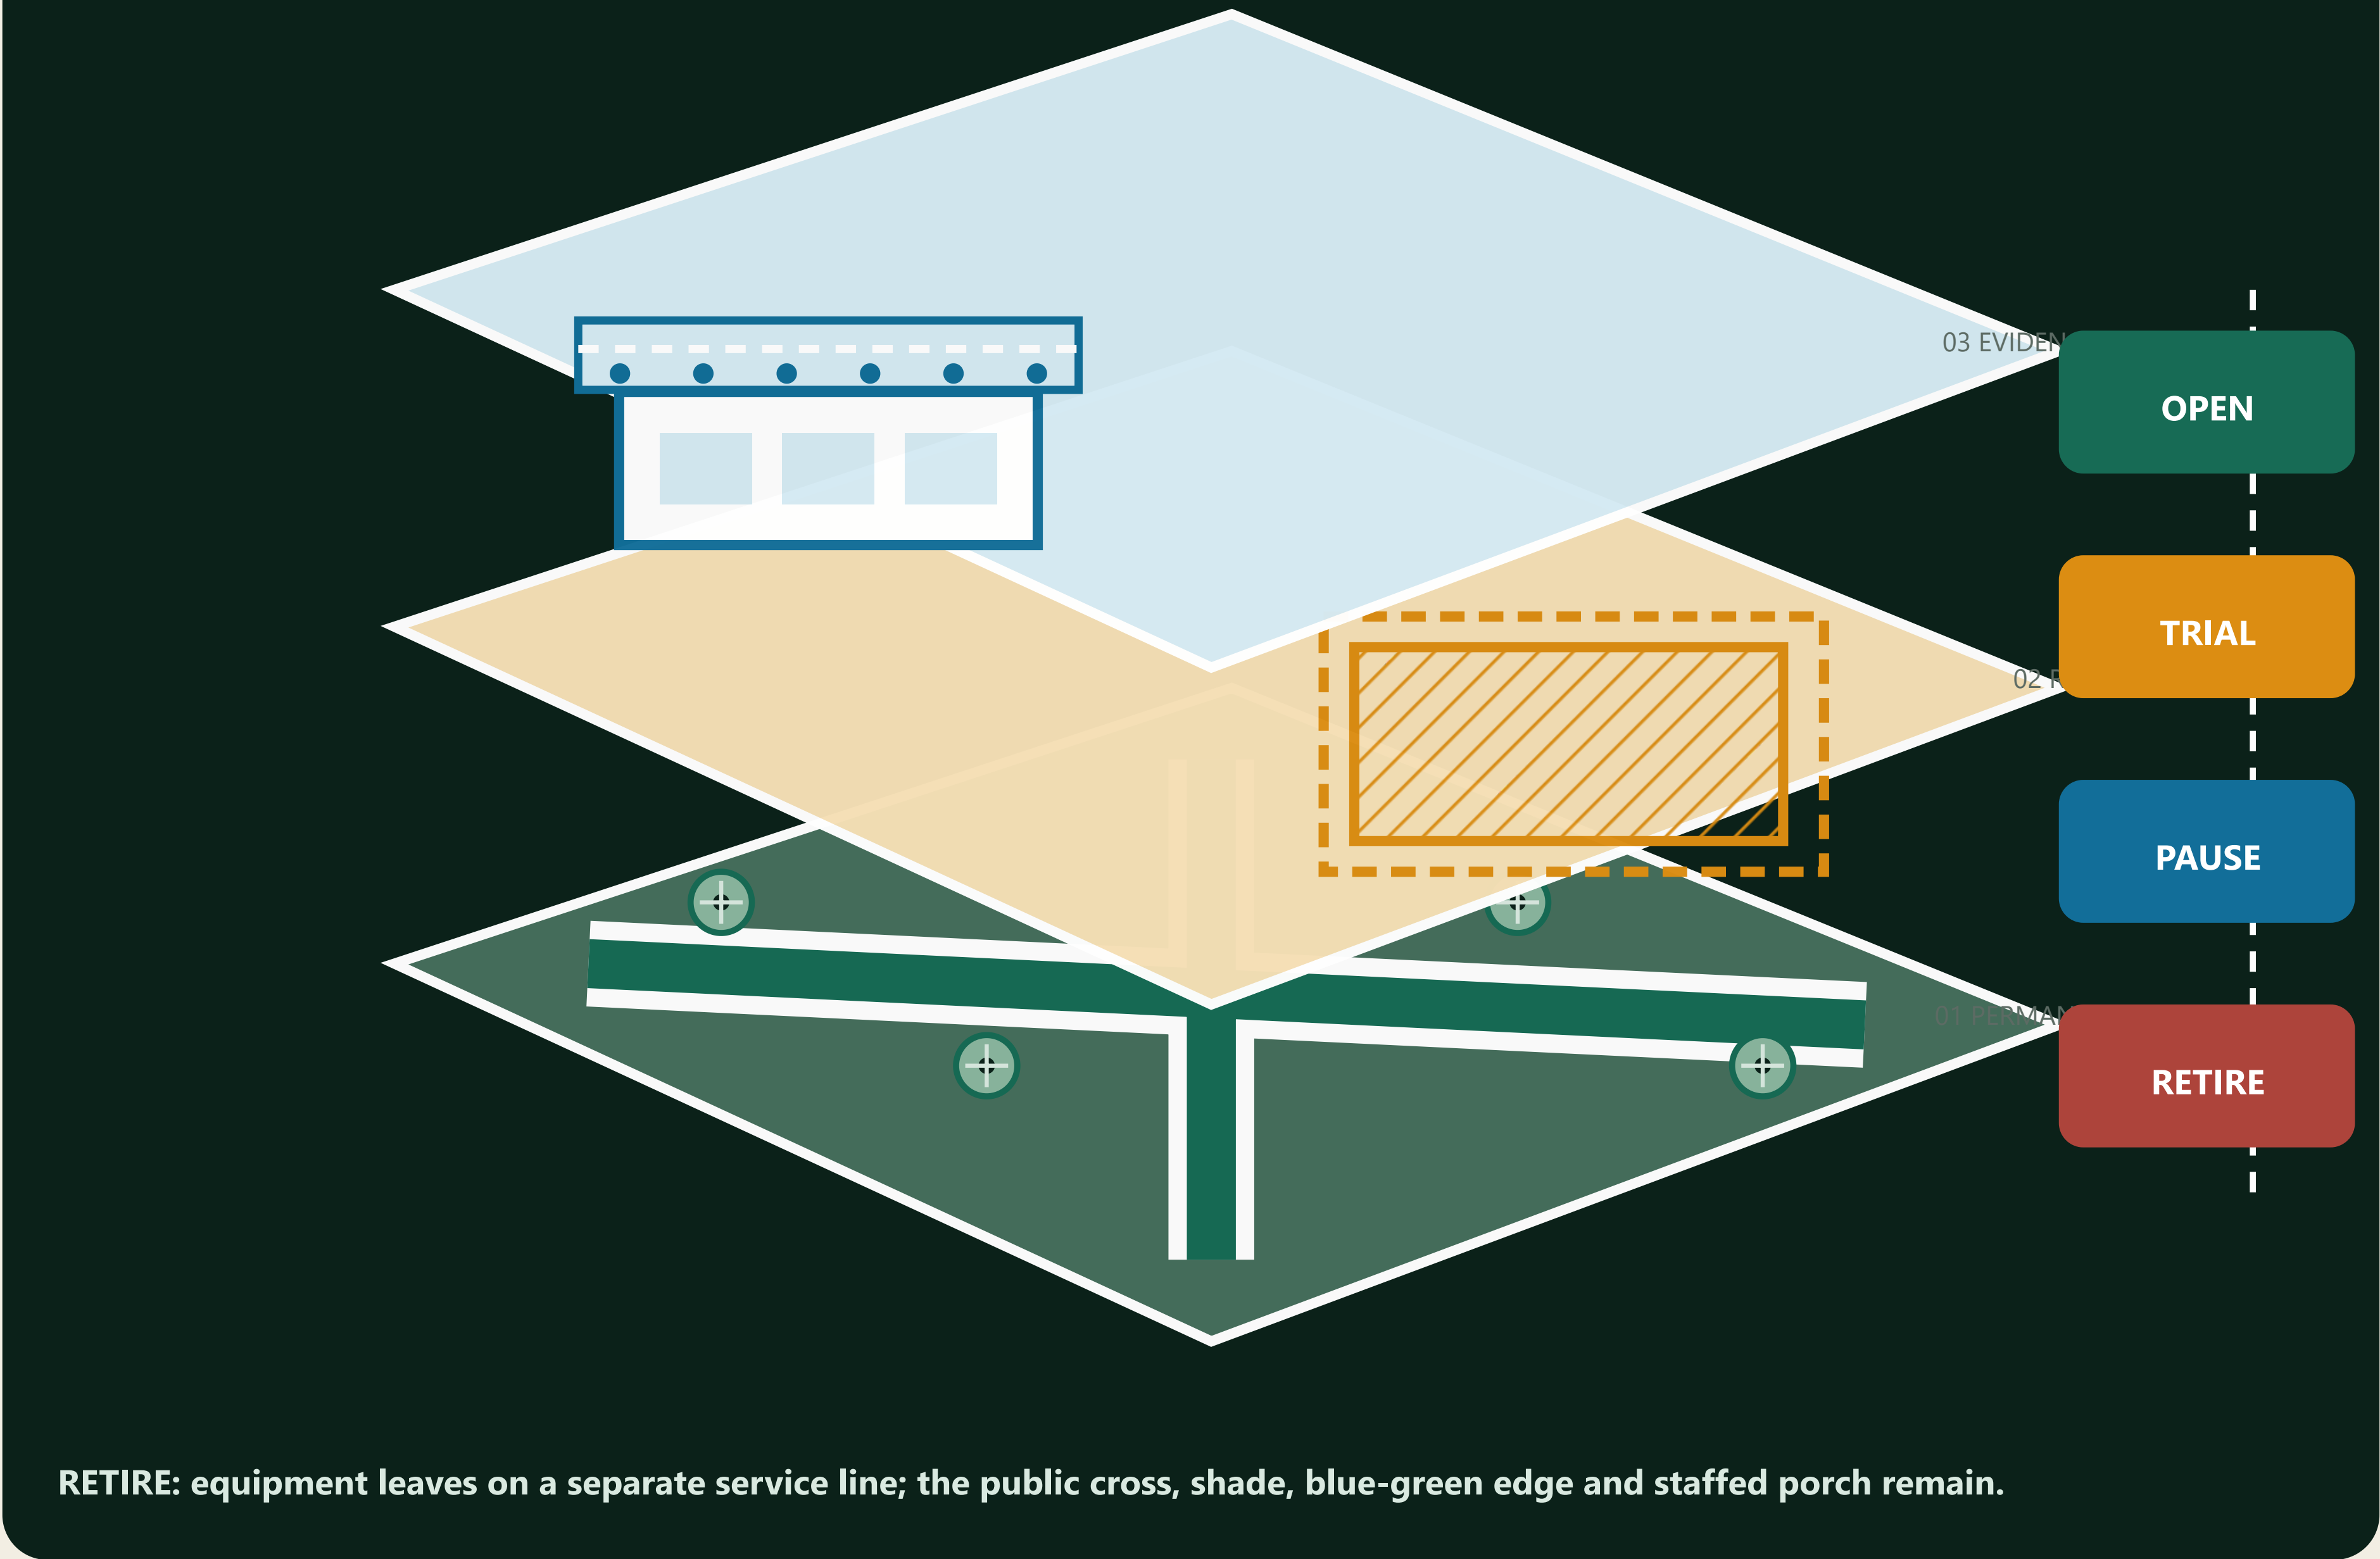

DAZHONGSI BUILDABLE CIVIC CROSS • 1:500 ARCHITECTURE + GROUND PLAN

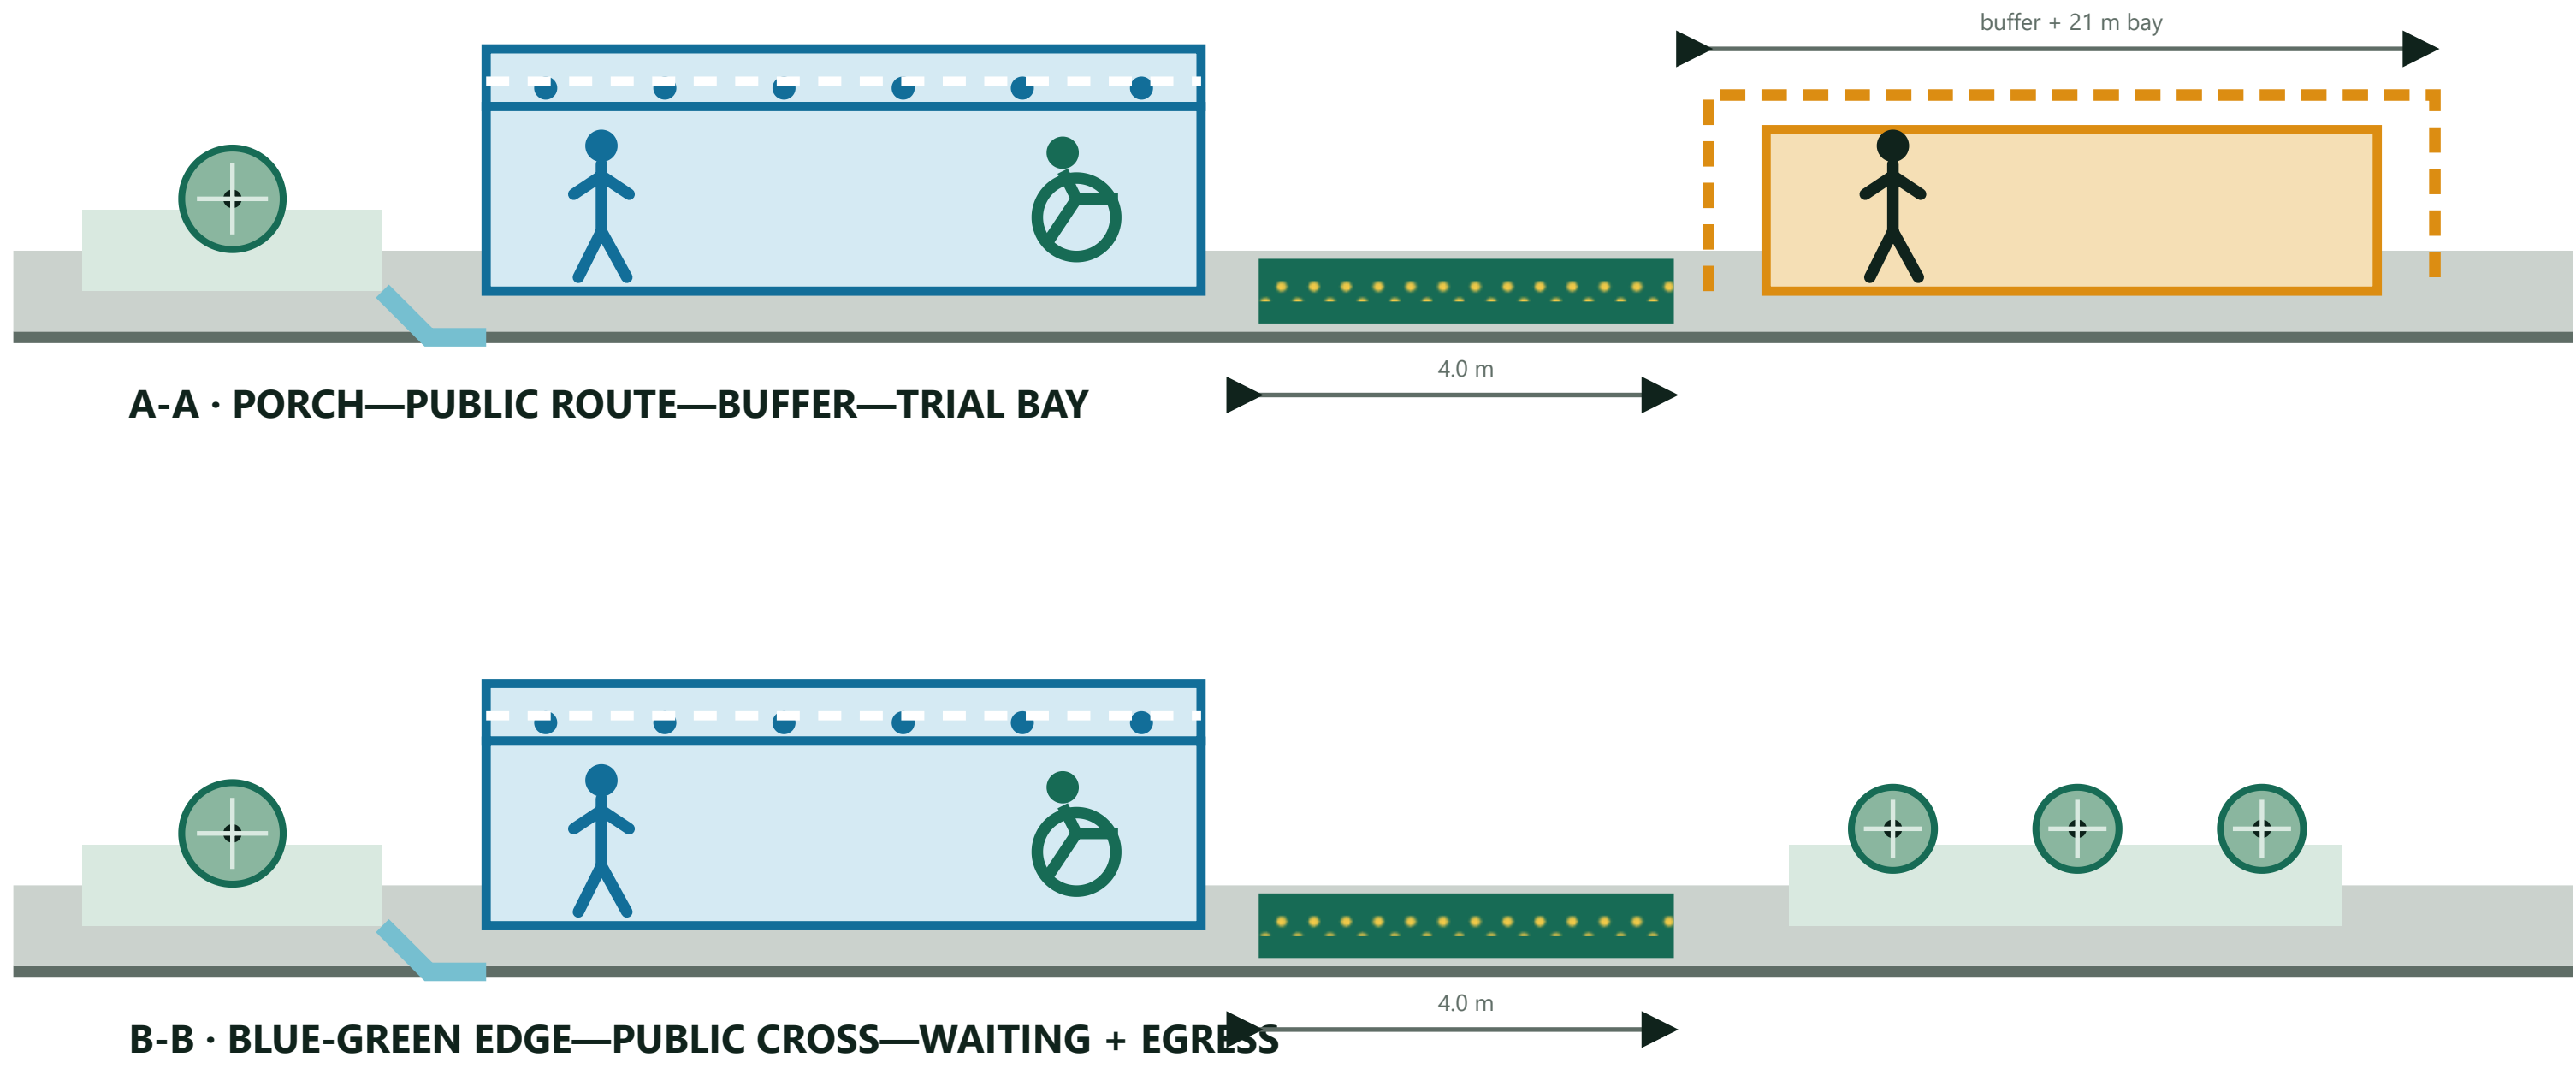

Dimensions are prototype assumptions; missing context is an adaptation / survey-pending

DAZHONGSI CUTAWAY ASSEMBLY • PUBLIC FIRST, PLUG-IN REMOVABLE, EVIDENCE STAFFED

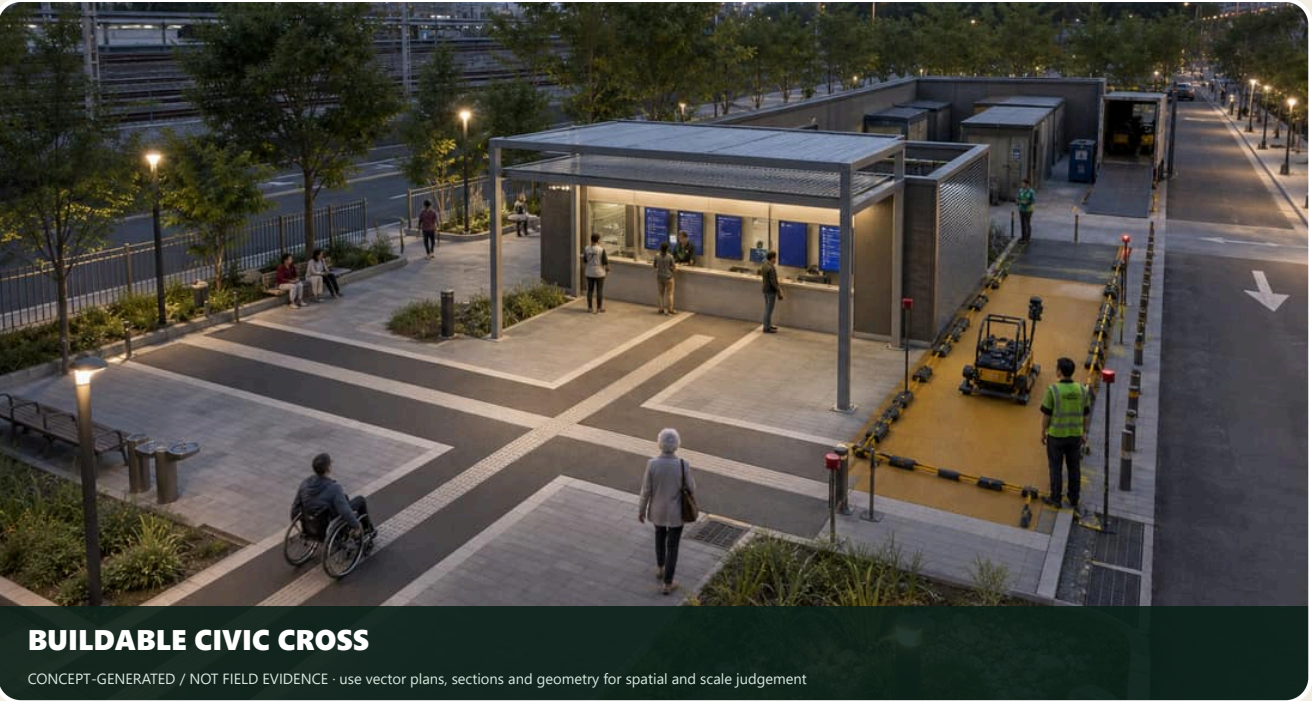

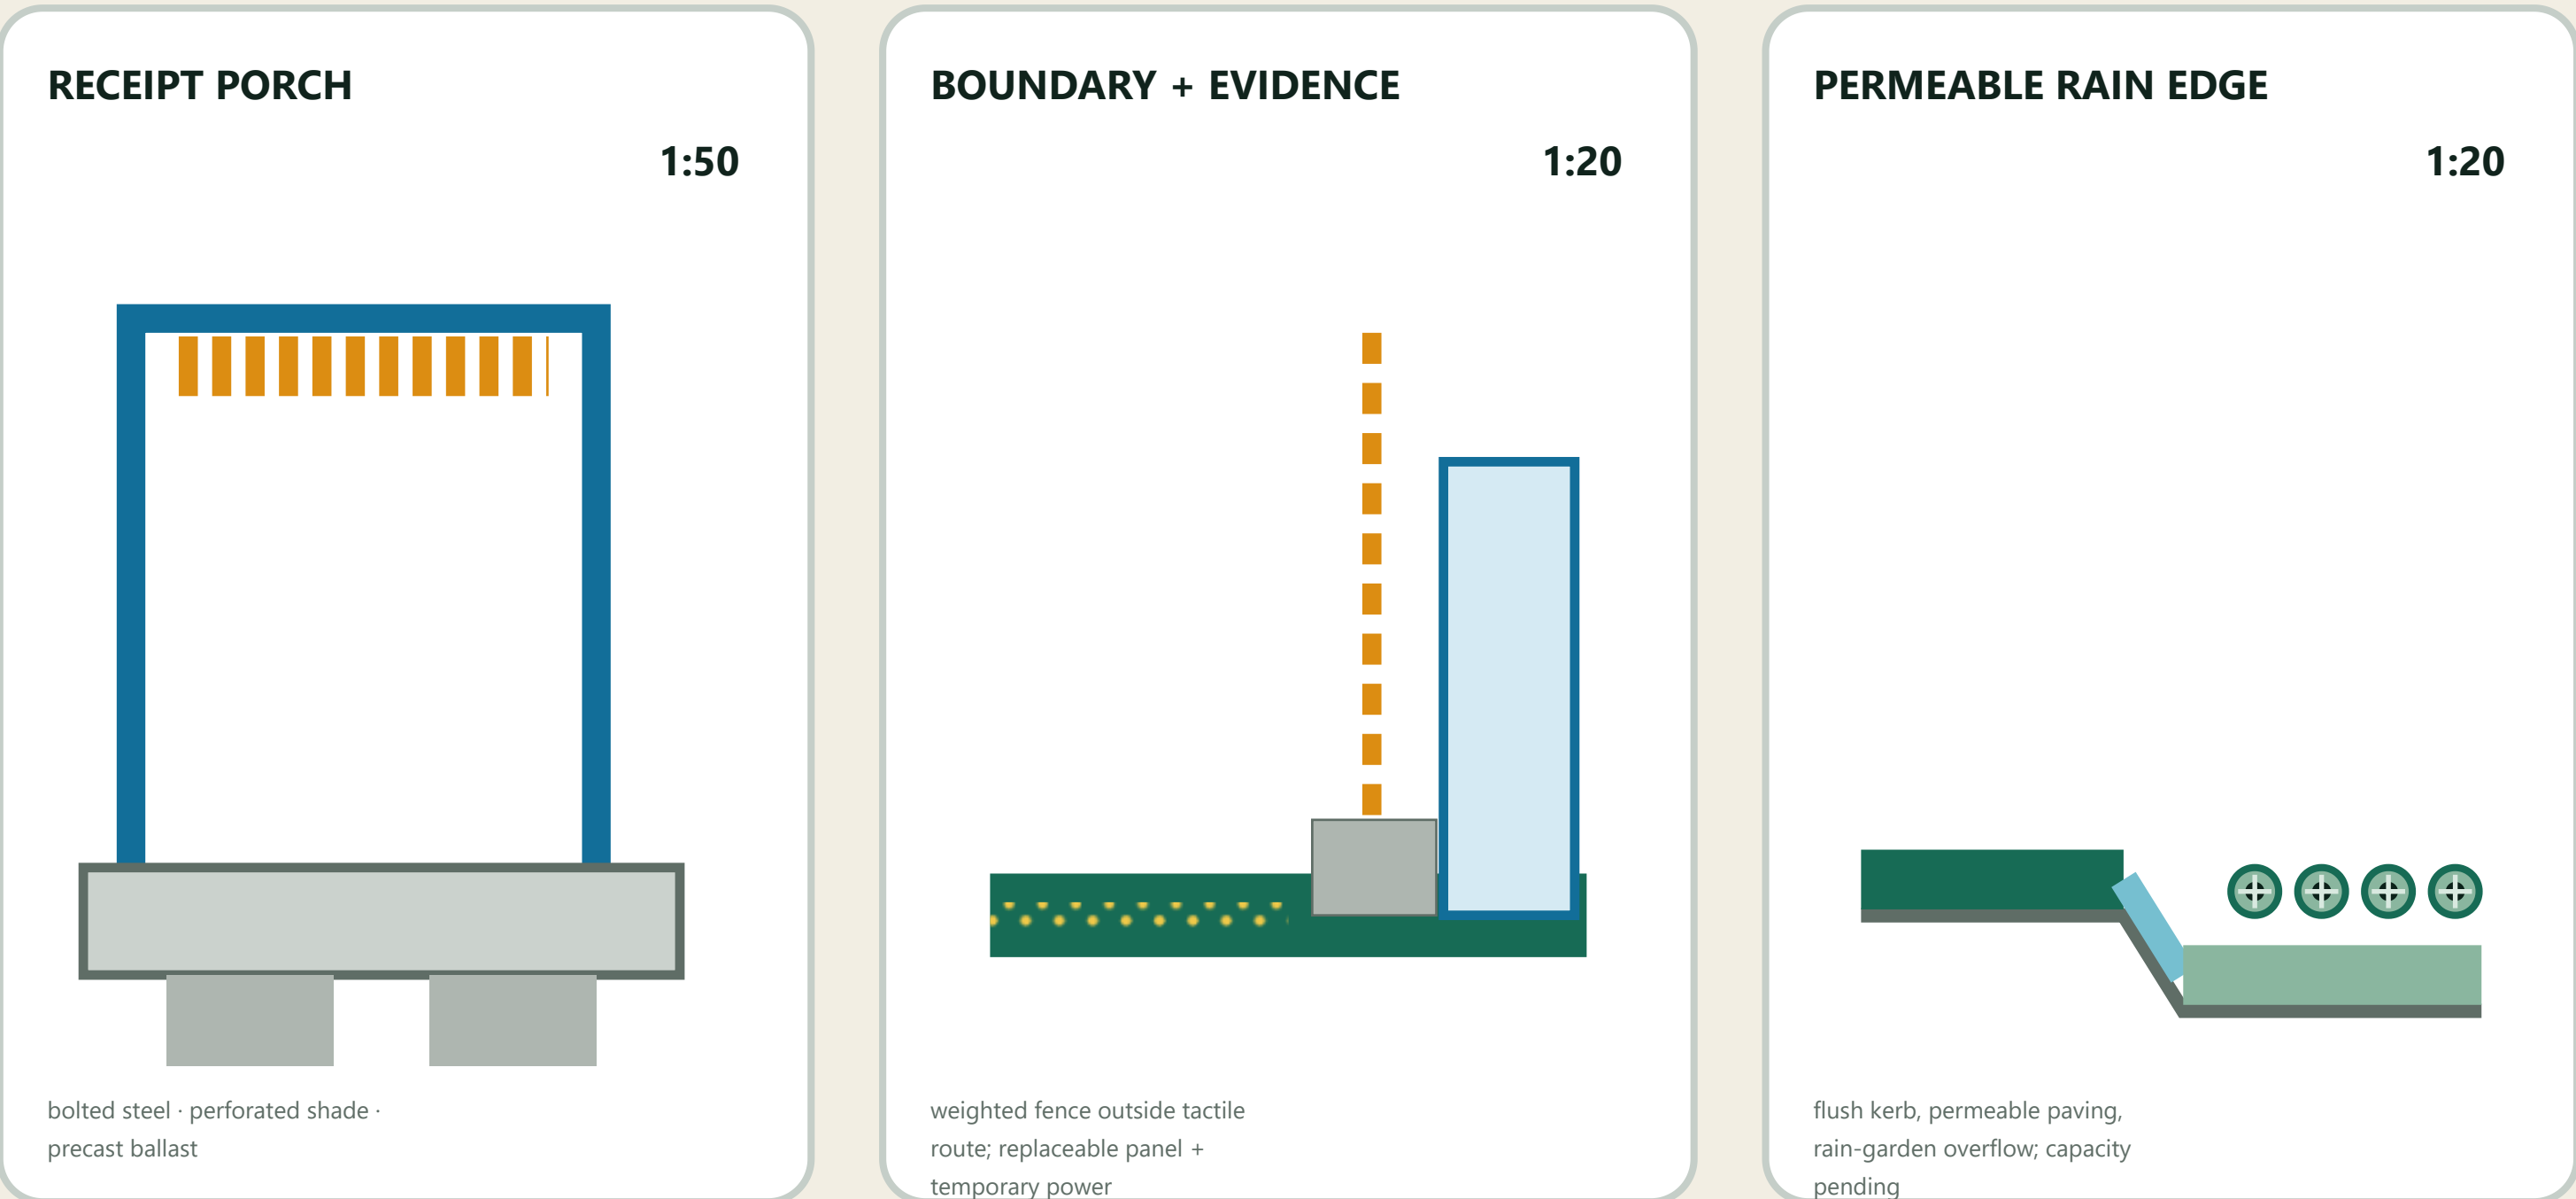

TWO 1:200 SECTIONS • PUBLIC BASELINE + PLUG-IN HAVE A LEGIBLE PHYSICAL EDGE

Structure, fire, foundation, wind, drainage capacity and durability remain pending professional review.

REVERSIBLE ARCHITECTURAL NODES • DRY-ASSEMBLED, MAINTAIN

IMPLEMENTATION LOOP • DECIDE ONCE, THEN PERMIT, BUILD, MAINTAIN + RETIRE

Field performance remains unknown; forms and drawings show how to verify, not completed verification

RETIRE

equipment exits; public layer remains

CONTINUOUS USER JOURNEY • ACCESS, CLIMATE, FIRE + FAILURE RECOVERY FORM ONE LINE

Closing a trial never moves the public route; ordinary service survives weather and night

12/12 measurement contracts documented; 0 field results. Prices pending_market_quote; structure/fire/foundation/durability pending review.

G0 NO-GO • 90 DAYS ARE FIVE ENTRY CONDITIONS, NOT A PROMISE

Any failure in ordinary service, permits, posts, baseline or removal drill blocks AI trial
