

JINGZHI Avenue - Concept Booklet

Concept suggestions • provisional boundary • recalc after official data

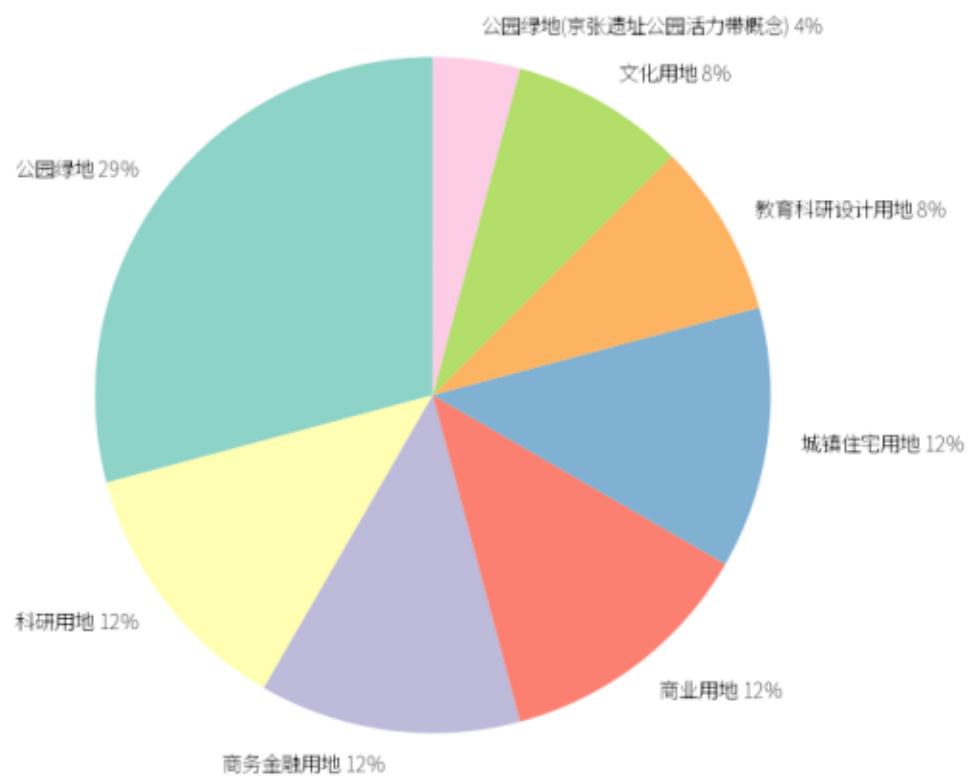

JINGZHI Avenue - AI Innovation Spine of Zhongguancun Avenue

COMMUNITY-DISPLAY-ONLY • a3-booklet

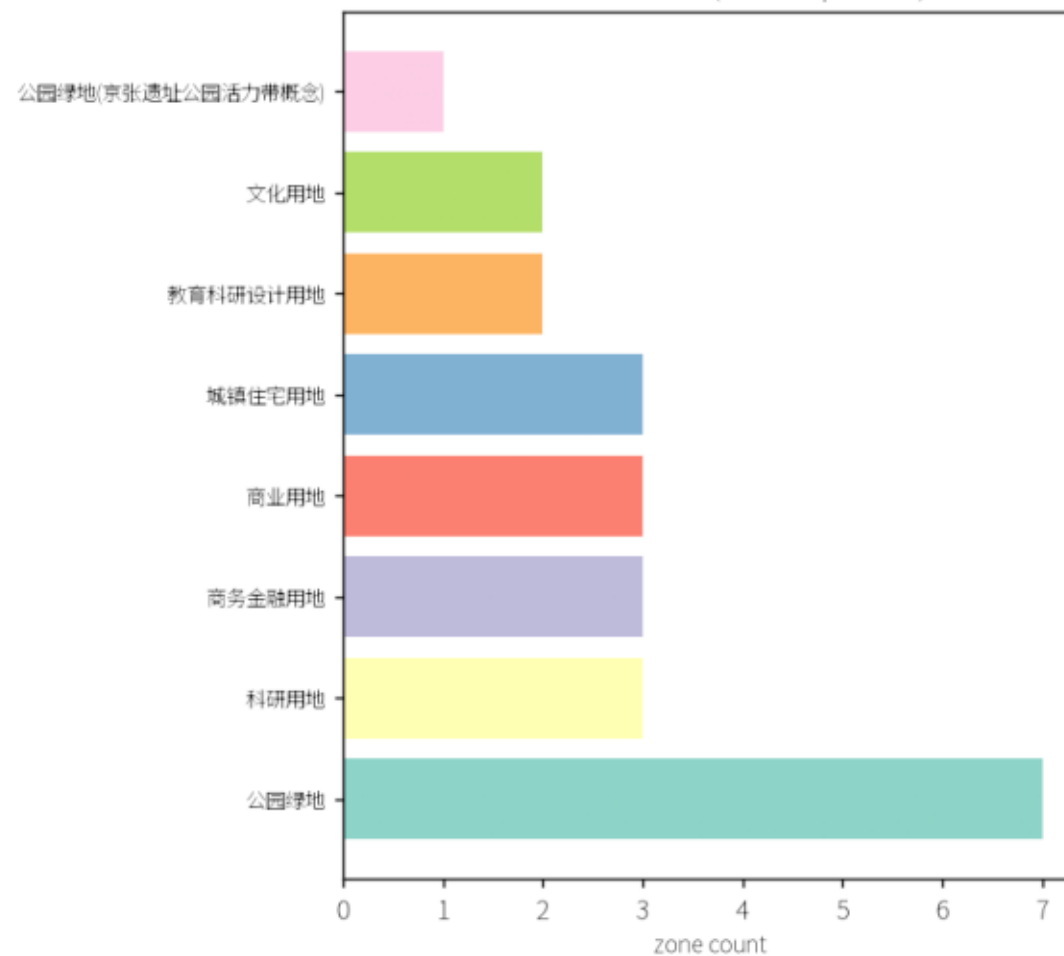

Overall design overview (provisional • existing vs proposal)

Land use structure (concept • by zone count)

Count distribution (24 concept zones)

Concept shares: recalc after official land-use release • provisional

Zoom-in N1

Zoom-in N2

Zoom-in N3

Three-node index and design task map (N1-N3 with zoom-ins)

NODES ARE CONCEPT POINTS

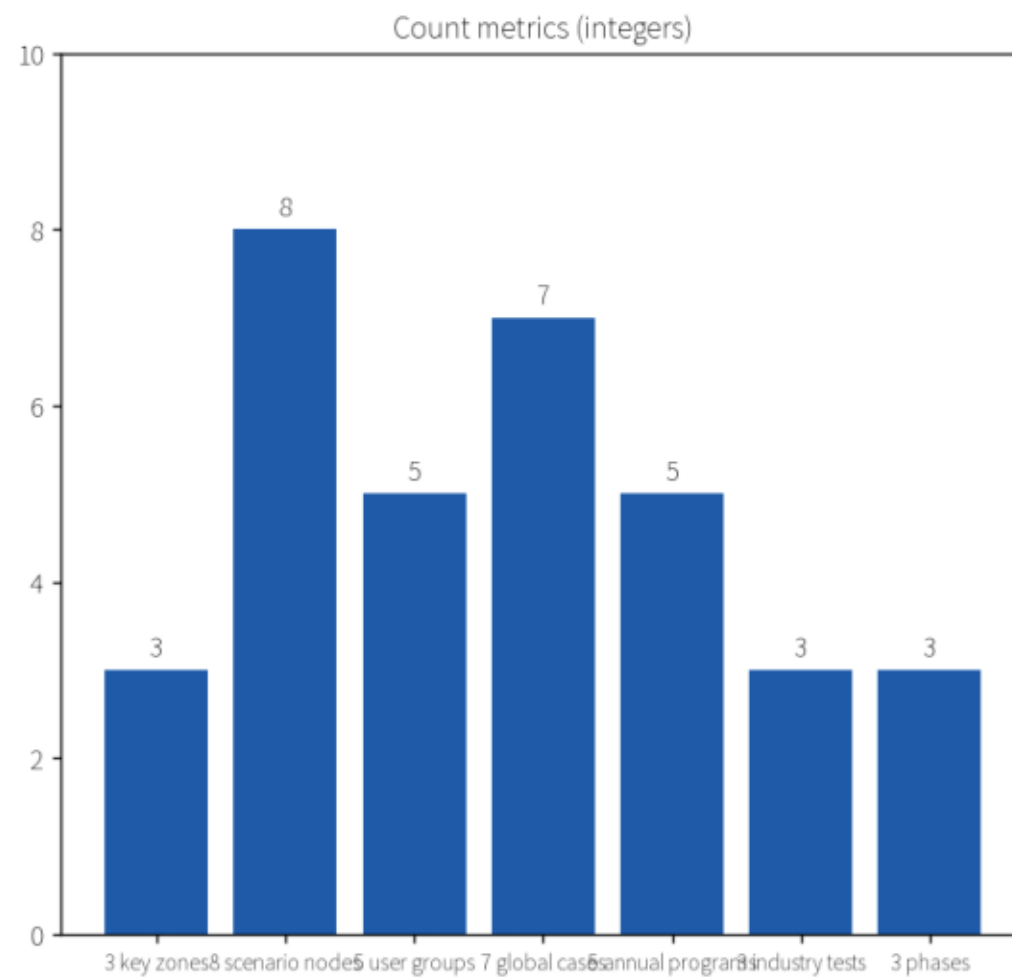

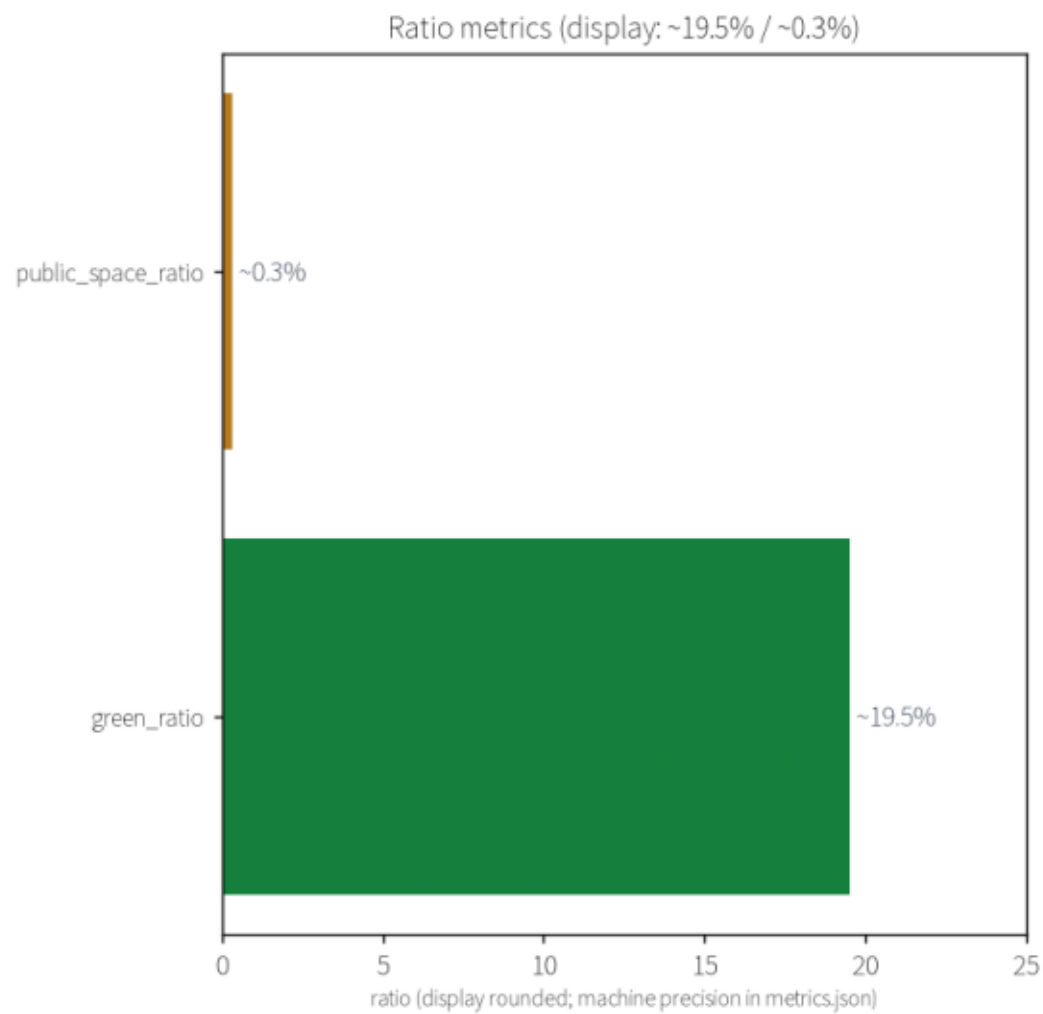

0

900m

Mobility & blue-green network (concept • phasing)

CONCEPT (PROVISIONAL)

Formula/basis: polygon_area(site_boundary, EPSG:4548); ratios; count(geometry). Confidence: area medium, ratios low. Trigger: auto-recalc when official geometry is published.

Three zones two wings coordination mechanism (concept)
