

城市连续服务协议 / Civic Continuity Protocol

让百年京张成为AI时代的开放城市骨架：连接创新、更新与日常生活；AI在线增强，人工随时接管，AI离线仍然服务。

Turn the century-old JingZhang line into an open civic spine for the AI era: connecting innovation, renewal and everyday life; augmented online, human-led when needed and serviceable offline.

DECISION-READY. IMPLEMENTATION-GATED.

可决策，待实施门槛

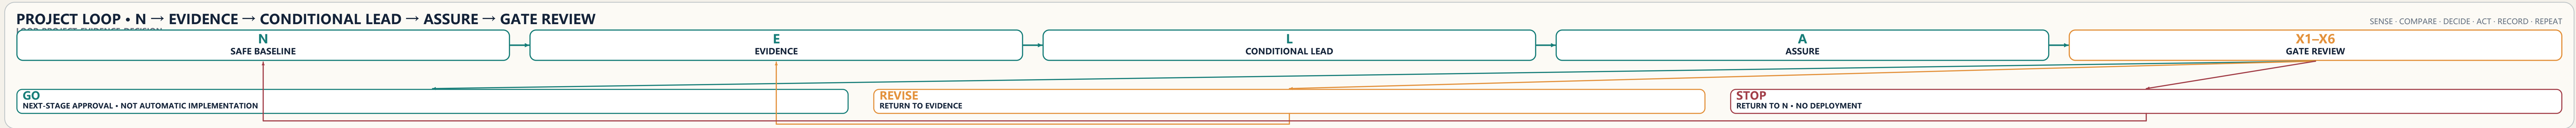

E 已有来源支持的事实或记录 / Fact or record supported by an available source • I 设计推断或暂定概念建议 / Design inference or provisional concept proposal • U 未知、未取得或未验证 / Unknown, unavailable or unverified • BLOCKED 缺证据，不得提升为实施结论 / Missing evidence; must not be promoted to an implementation conclusion

条件性研究序列 / CONDITIONAL EVIDENCE PATHWAYS
