委托一个可停止的决策过程 / Commission a decision process that can stop

城市连续服务协议把公共价值置于技术与投资之前；≈100天用于取证、比较与独立复核，不是施工。 / Civic Continuity Protocol puts public value before technology and investment; ≈100 days is for evidence, comparison and assurance—not construction.

DECISION REQUEST • APPROX. 100 DAYS • EVIDENCE-TO-DECISION

建议项目方批准的是约100天的证据到决策阶段，而不是建设：指定项目方负责人，开放必要资料、现场与受补偿参与渠道，期末形成GO / REVISE / STOP决策包。

The requested decision is to commission an approximately 100-day Evidence-to-Decision stage, not construction: appoint a project-party lead, open the necessary data, site and compensated-participation channels, and conclude with a GO / REVISE / STOP dossier.
