

Twin-Track Jing-Zhang: Ordinary Life Continuous, Verification Beside

Ordinary civic ground works first; verification appears only beside it

30 / 3 / 15

Read the spatial ruling—follow an ordinary task—trace evidence and professional handoff.

Present-day Haidian and Overall Spatial Structure

PRESENT-DAY HAIDIAN

Published material reports an open Phase II and about nine kilometres of continuous green corridor. The proposal does not claim another park; it considers reversible public-service additions that do not interrupt existing daily life.

S01 / CIVIC-GROUND STRUCTURE / SITE OVERVIEW

G0 • PROVISIONAL • NOT TO SCALE

One civic-ground spine links three distinct prototypes

Read the ordinary route and six cross-links first; proof, staffed handoff and failure siding stay beside it.
Provisional relationship diagram, not a precise masterplan.

S02 / FUNCTIONAL CORRIDOR / LAND-USE STRUCTURE

G0 • PROVISIONAL • NOT TO SCALE

Thirty-six concept envelopes grow along civic ground instead of forming a parcel checklist

Colours denote function families only; irregular envelopes, six cross-links and three ground-level duties describe urban structure without creating statutory land use

S06 / CIVIC-GROUND NETWORK / MOBILITY + BLUE-GREEN

G0 • PROVISIONAL • NOT TO SCALE

One continuous civic ground, six cross-links, proof only in side pockets

Overall walking-blue-green structure, human section and failure boundary share one drawing; alignments, dimensions and site registration remain unknown.

Three Non-interchangeable Spatial Prototypes

S03 / THREE PLAN PROTOTYPES / KEY AREAS

G0 • PROVISIONAL • NOT TO SCALE

One spatial decision, three non-interchangeable answers

Common ruling: proof may not take ordinary ground. Each place answers with beside, stepped-back courts or off-route service. G0 • provisional • not approved.

01 VERIFY • ZHONGZHIYUAN

Parallel bypass + side proof garden

ordinary route never crosses proof edge
staffed handoff sits between routes

REJECT: PROOF CROSSES KEEP: BESIDE

02 CO-CREATE • ORIGIN COMMUNITY

Street + two courts + four withdrawals

resident street stays open
proof enters from the edge, never takes the street

REJECT: NODES TAKE STREET KEEP: COURTS STEP BACK

03 PUBLISH • DAZHONGSI

Four-way cross + off-route service

clear centre carries no proof
hall and staffed desk sit off-route

REJECT: SERVICE TAKES CENTRE KEEP: OFF-ROUTE

All three keep ordinary paths and non-AI entry first • failure stops proof objects only • restoration returns the ground before recheck and is not approval, authorization or G1 • FIELD / GO / RIGHTS remain gated

S04 / GROUND-THRESHOLD SECTIONS / KEY-AREA SECTIONS

G0 • PROVISIONAL • NOT TO SCALE

Three sections clarify stop objects, staff positions and restoration

Sections express spatial responsibility only and claim no unverified dimensions, materials, slopes, fire safety, railway protection or accessibility acceptance.

01 VERIFY • ZHONGZHIYUAN / PARALLEL SECTION

Bypass below / proof court above

FAILURE: enclosure and equipment leave; bypass stays
RESTORE: clear court, then recheck; not G1

02 CO-CREATE • ORIGIN / STREET-COURT SECTION

Street through / two courts back

FAILURE: proof withdraws to the edge; street and courts continue
RESTORE: paper/spoken/staffed first; restart remains a decision

03 PUBLISH • DAZHONGSI / COMMUTE SECTION

Commute clear / service aside

FAILURE: close the service side only; commute remains
RESTORE: correct sources and retest; not authorization or approval

G0 conceptual sections • not to scale • levels, dimensions, materials, structure, fire safety, railway protection, accessibility outcomes, staffing and recovery duration remain unverified / unknown / 0

Three Ground—Threshold—Ordinary-task Relations

ZHONGZHIYUAN

01 VERIFY • ZHONGZHIYUAN / PARALLEL SECTION
Bypass below / proof court above

FAILURE: enclosure and equipment leave; bypass stays
RESTORE: clear court, then recheck; not G1

ORIGIN COMMUNITY

02 CO-CREATE • ORIGIN / STREET-COURT SECTION
Street through / two courts back

FAILURE: proof withdraws to the edge; street and courts continue
RESTORE: paper/spoken/staffed first; restart remains a decision

DAZHONGSI

03 PUBLISH • DAZHONGSI / COMMUTE SECTION
Commute clear / service aside

FAILURE: close the service side only; commute remains
RESTORE: correct sources and retest; not authorization or approval

CONDITIONAL FIT

Continuous bypass first; equipment-side court isolatable.

CONDITIONAL FIT

Resident street first; two courts and four nodes withdraw independently.

CONDITIONAL FIT

Four-way commute first; information and staff stay off-route.

Human Scale and Four-state Civic Signals

S05 / HUMAN-SCALE ORDINARY LIFE

One public right, three different spatial answers

Read how a person enters, asks, completes a staffed task and leaves. Proof stays beside, stoppable and removable; this is not field or accessibility evidence.

01 VERIFY • ZHONGZHIYUAN

PARALLEL BYPASS

SIDE PROOF GARDEN

Ordinary: bypass → read status → staff → correct or leave

Proof stops: close and clear the proof garden
Still works: bypass, observation, staffed explanation, exit
Spatial cue: parallel relations, never one crossed route

02 CO-CREATE • ORIGIN COMMUNITY

ONE STREET

TWO COURTS + FOUR WITHDRAWALS

Ordinary: street → paper/spoken → staff → withdraw or leave

Proof stops: withdraw nodes; remove court inserts
Still works: street, paper entry, staffed task, appeal
Spatial cue: one street links two stepped-back courts

03 PUBLISH • DAZHONGSI

FOUR-WAY COMMUTE

OFF-ROUTE HALL + STAFFED DESK

Ordinary: cross → read source → staff → continue

Proof stops: publishing and automation leave the route
Still works: commute, quiet rest, staffed service

G0 concept relation · people are generic symbols, not real participants or public feedback · non-AI task first · not field or accessibility evidence

ANTIFRAGILE FAILURE GOVERNANCE | THREE-CARRIER WRITEBACK

Existing IZ-AIOS contract · G0 concept only · NOT TO SCALE · not a real incident, field recovery, or deployment licence

01 | Classify failure before choosing stop intensity

Safety + access collision · blocked daily route	Rights + consent prohibited data · no withdrawal	Source + version stale · conflict · overwritten	Service + handoff no human · daily task displaced	Evidence + decision bad denominator · ignored appeal	Place restoration + exit not removable · no destination
---	--	---	---	--	---

02 | Failure—stop—recover—retest storyboard (synthetic T-02 stale-source example)

03 | One state event, three atomic writebacks

04 | Four separate axes + appeals + active retirement

Runtime ordinary / proof / fault / recovery place and service now	Maturity G0 / G1 / G2 / G3 all scenes remain G0	Authorization none / limited / withdrawn / retired no real service authorization	Service ordinary / optional AI / takeover concept rule, not operation	Appeals change decisions; retirement leaves receipts oral/paper/staffed → hold · narrow · correct · retest · withdraw · retire No identity or shame ranking; every component/data/service/place has a destination.
--	--	---	--	---

PERMANENT AUTHORIZATION BOUNDARY | A file check, synthetic replay, machine PASS, retest, or restoration acceptance applies only to its named object and scope. It authorizes no trial, procurement, construction, deployment, maturity gain, site/professional approval, rights clearance, or real-world outcome claim.

S06 / FOUR-STATE STATIC STORYBOARD

Ordinary ground first; side proof is optional, stoppable, and removable

G0 · NO-GO · PROVISIONAL · REAL RESULTS 0
Concept only; not site, approval, or official-boundary evidence

THREE TITLELESS SPATIAL SIGNATURES • DISTINGUISH BY RELATION

STATIC STORYBOARD, NOT ELAPSED TIME; RECOVERY IS NOT MODEL RESTART, AUTHORIZATION, APPROVAL, OR G1 · LINKS: CONTRACT / SAME-TASK NON-AI PATH / H01—H07

RECOVERY ≠ AUTHORIZATION

Official redline, exact anchors, real thresholds, responsible parties, approvals and independent clearance remain 0 or unknown. Restoring ordinary use is not authorization, approval, restart or G1.

Eight Projects, Climate and Year-round Operations

8 PROJECTS

CLIMATE

STOP / RETURN

The eight existing projects state preconditions, duty combinations, concept acceptance and exit. Missing ordinary baseline, staff takeover or accepted duty retains G0 / NO-GO.

STOP / RETURN

Ordinary blue-green path, static notice, staffed inspection and maintenance clearance work first; extreme weather or maintenance conflict closes the optional layer.

OPERATIONS

STOP / RETURN

The timetable records opening, stopping, place return and review conditions only; it invents no roster, shift, budget or event commitment.

Metrics, Risk, Rights and Professional Handoff

One Conclusion: Ordinary Life Does Not Yield to Verification

ORDINARY FIRST	VERIFICATION BESIDE	FAILURE STOPS THE OVERLAY	RECOVERY DOES NOT AUTHORIZE
Complete the meta-task without account, device or AI.	Voluntary, announced, bounded, stoppable and removable.	Staff, ordinary route, correction and exit continue.	Return the place before review; material gaps retain G0 / NO-GO.
