

THE JING-ZHANG RUNNING DIAGRAM

京张运行图

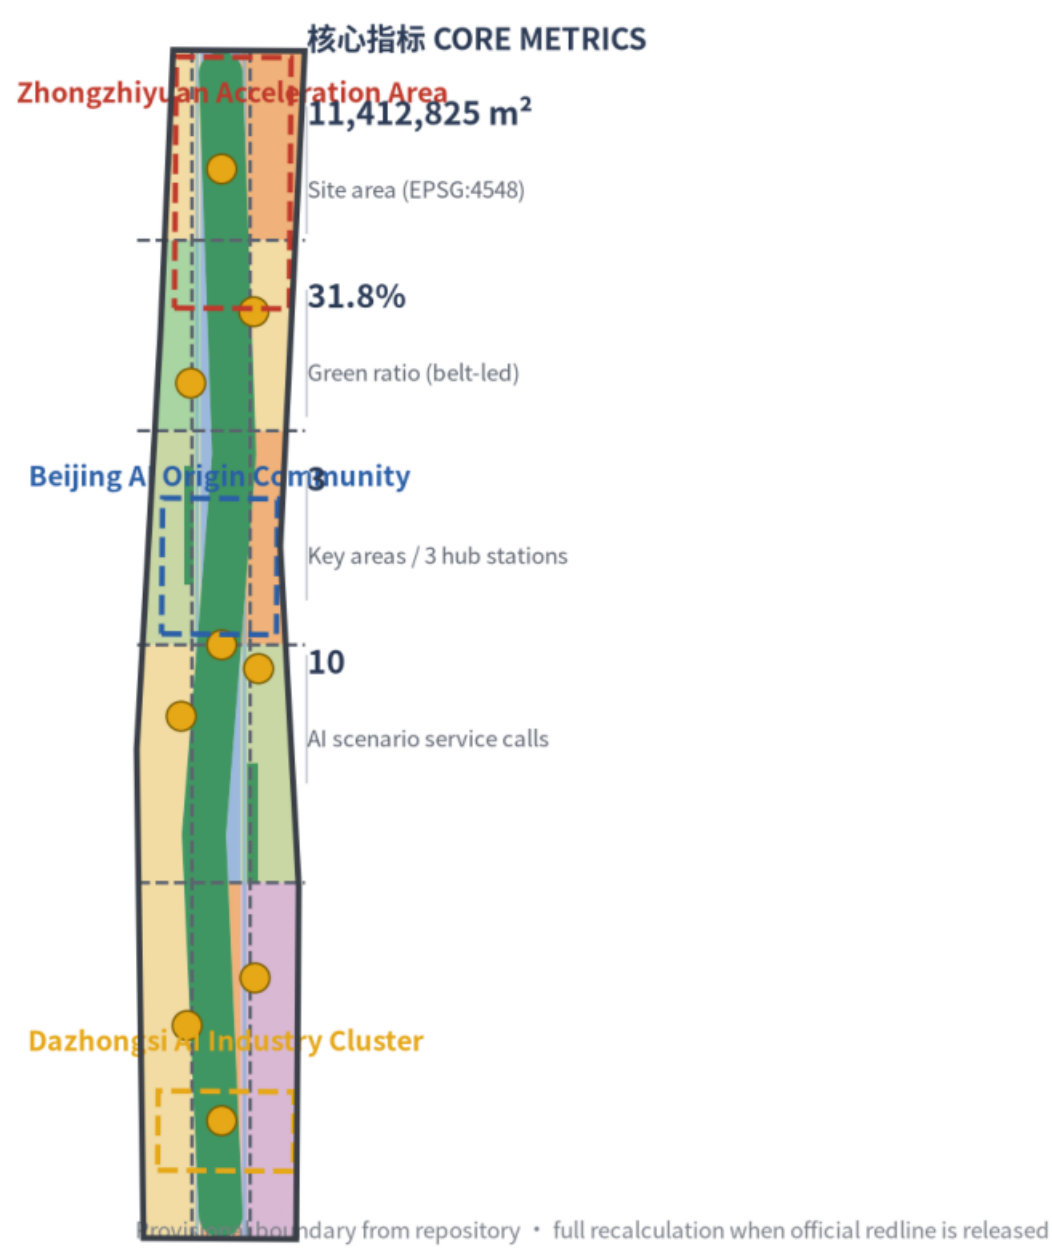

Re-reading a Century of Railway Dispatching Wisdom as the Spatio-temporal OS of the AI Innovation Belt

- One Belt: Main Running Line Green Belt (Heritage Park Vitality Belt)
- Three Stations: Engine (Zhongzhiyuan) • Origin (AI Origin Community) • Hub (Dazhongsi)
- Two Wings: Zhongguancun Tech-Service Wing • Xiaoyuehe Scenario Wing
- Ten Service-Call Cards (AI scenarios) • Annual Running Diagram (events & operations)

All geometry is based on the repository provisional boundary (provisional_constraint); full recalculation when the official redline is released; regulatory conditions pending.

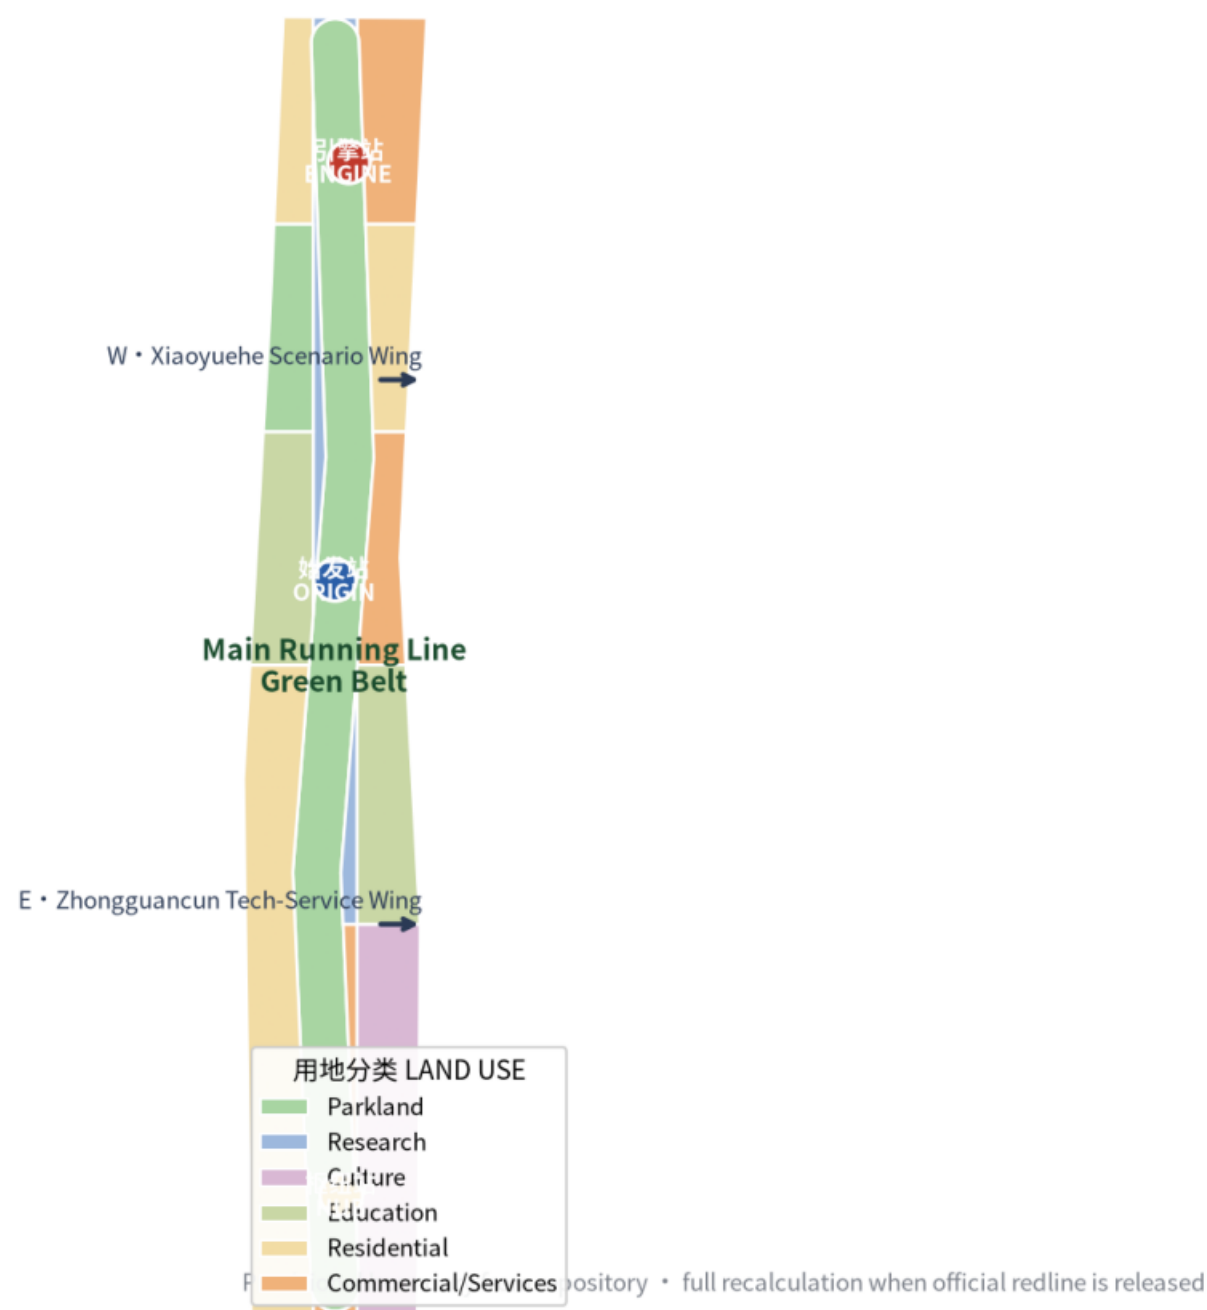

Overall Plan Overview

Jing-Zhang Running Diagram • Overall Plan (One Belt, Three Stations, Two Wings)

Land Use & Three-Station-Two-Wing Structure

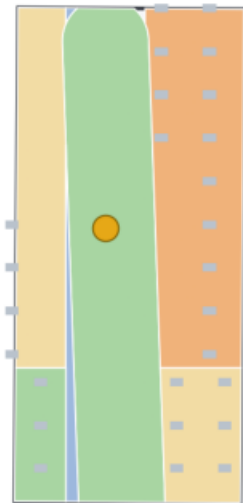

Jing-Zhang Running Diagram • Land Use & Three-Station-Two-Wing Structure

Three Key Areas Detailed Design

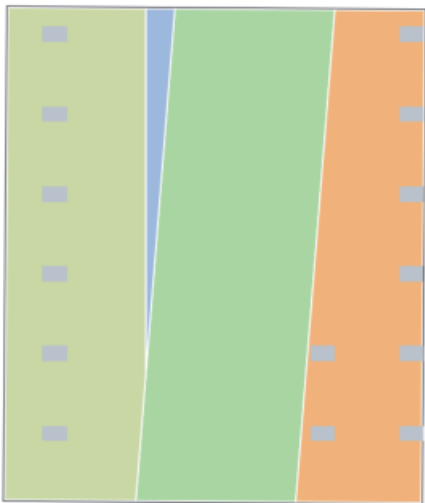

Jing-Zhang Running Diagram • Three Key Areas (Three Hub Stations)

Zhongzhiyuan • Engine Station

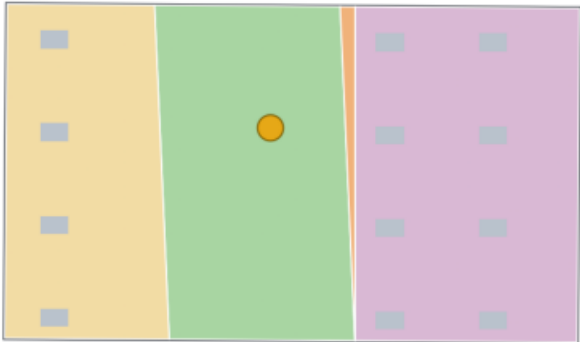

Full-stack autonomy + test scenario T3

Origin Community • Origin Station

Founder blocks + 0 km Milestone L1

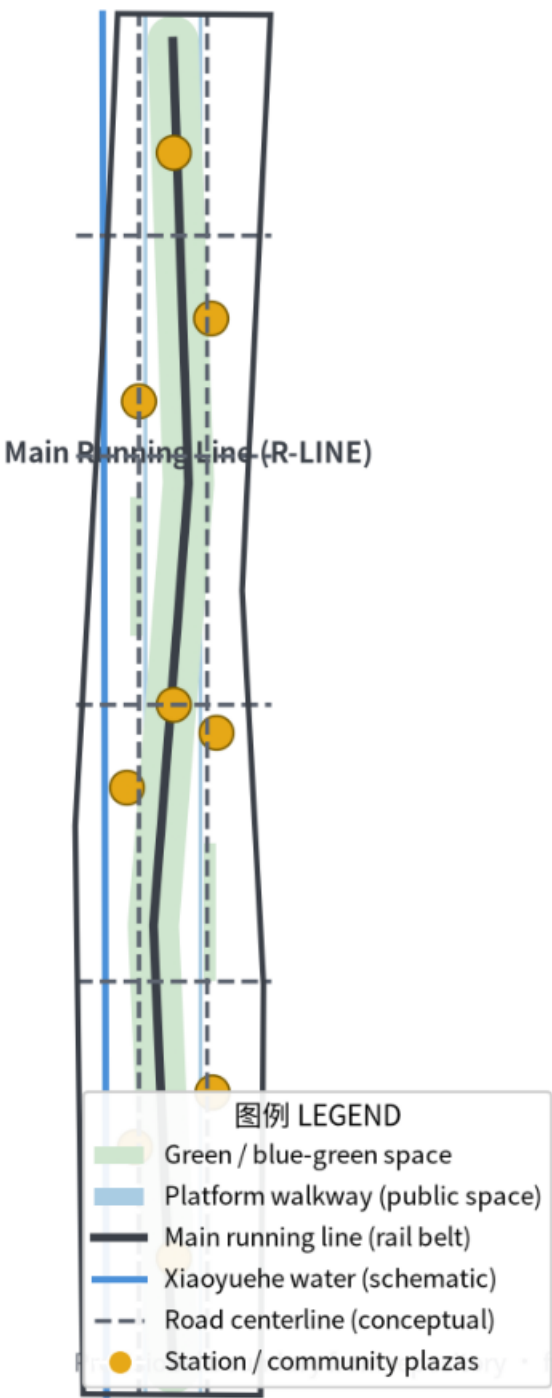

Dazhongsi • Hub Station

AI-native formats + Signal Plaza L3

Mobility & Blue-Green Composite System

Jing-Zhang Running Diagram • Mobility & Blue-Green Composite System

Full recalculation when official redline is released

Metrics & Evidence Chain
