

01 THREE SCALES + REGIONAL EXCHANGE

Resources enter through protocols; they do not imply approved construction links

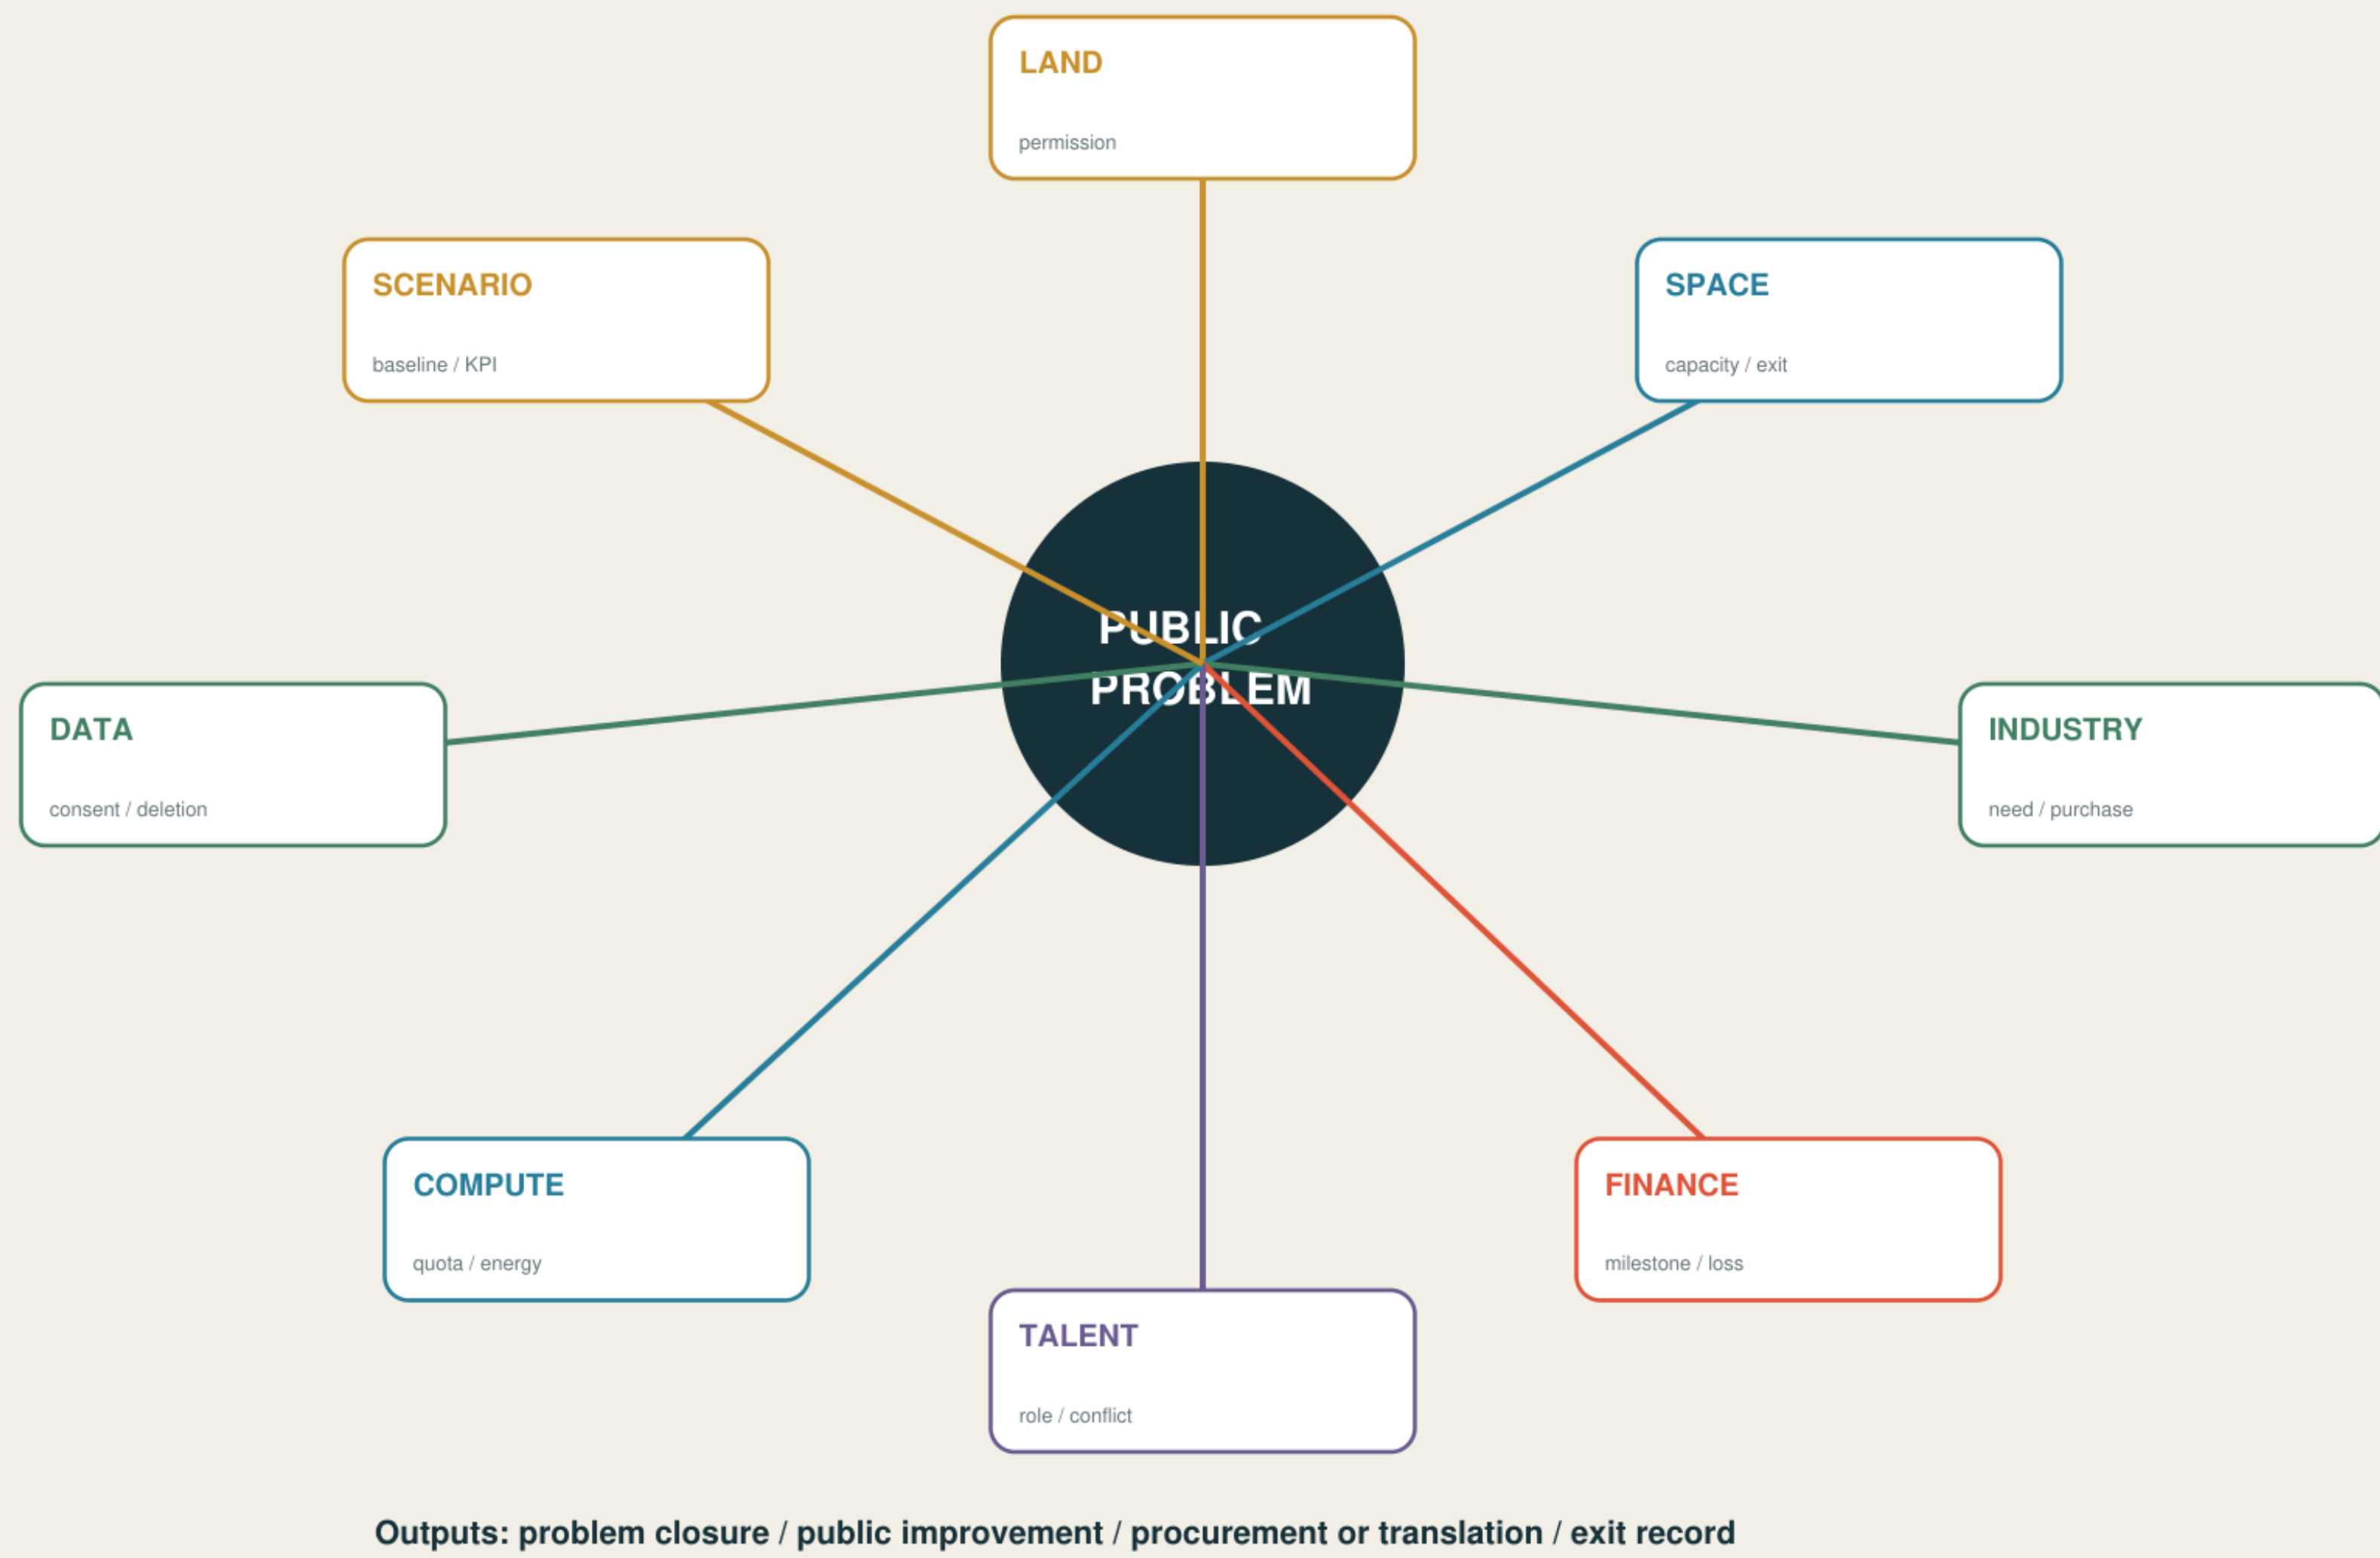

CONCEPT / PROVISIONAL

02 EIGHT-FACTOR INNOVATION LOOP

Every scenario must close spatial, resource, accountability, and evidence gaps

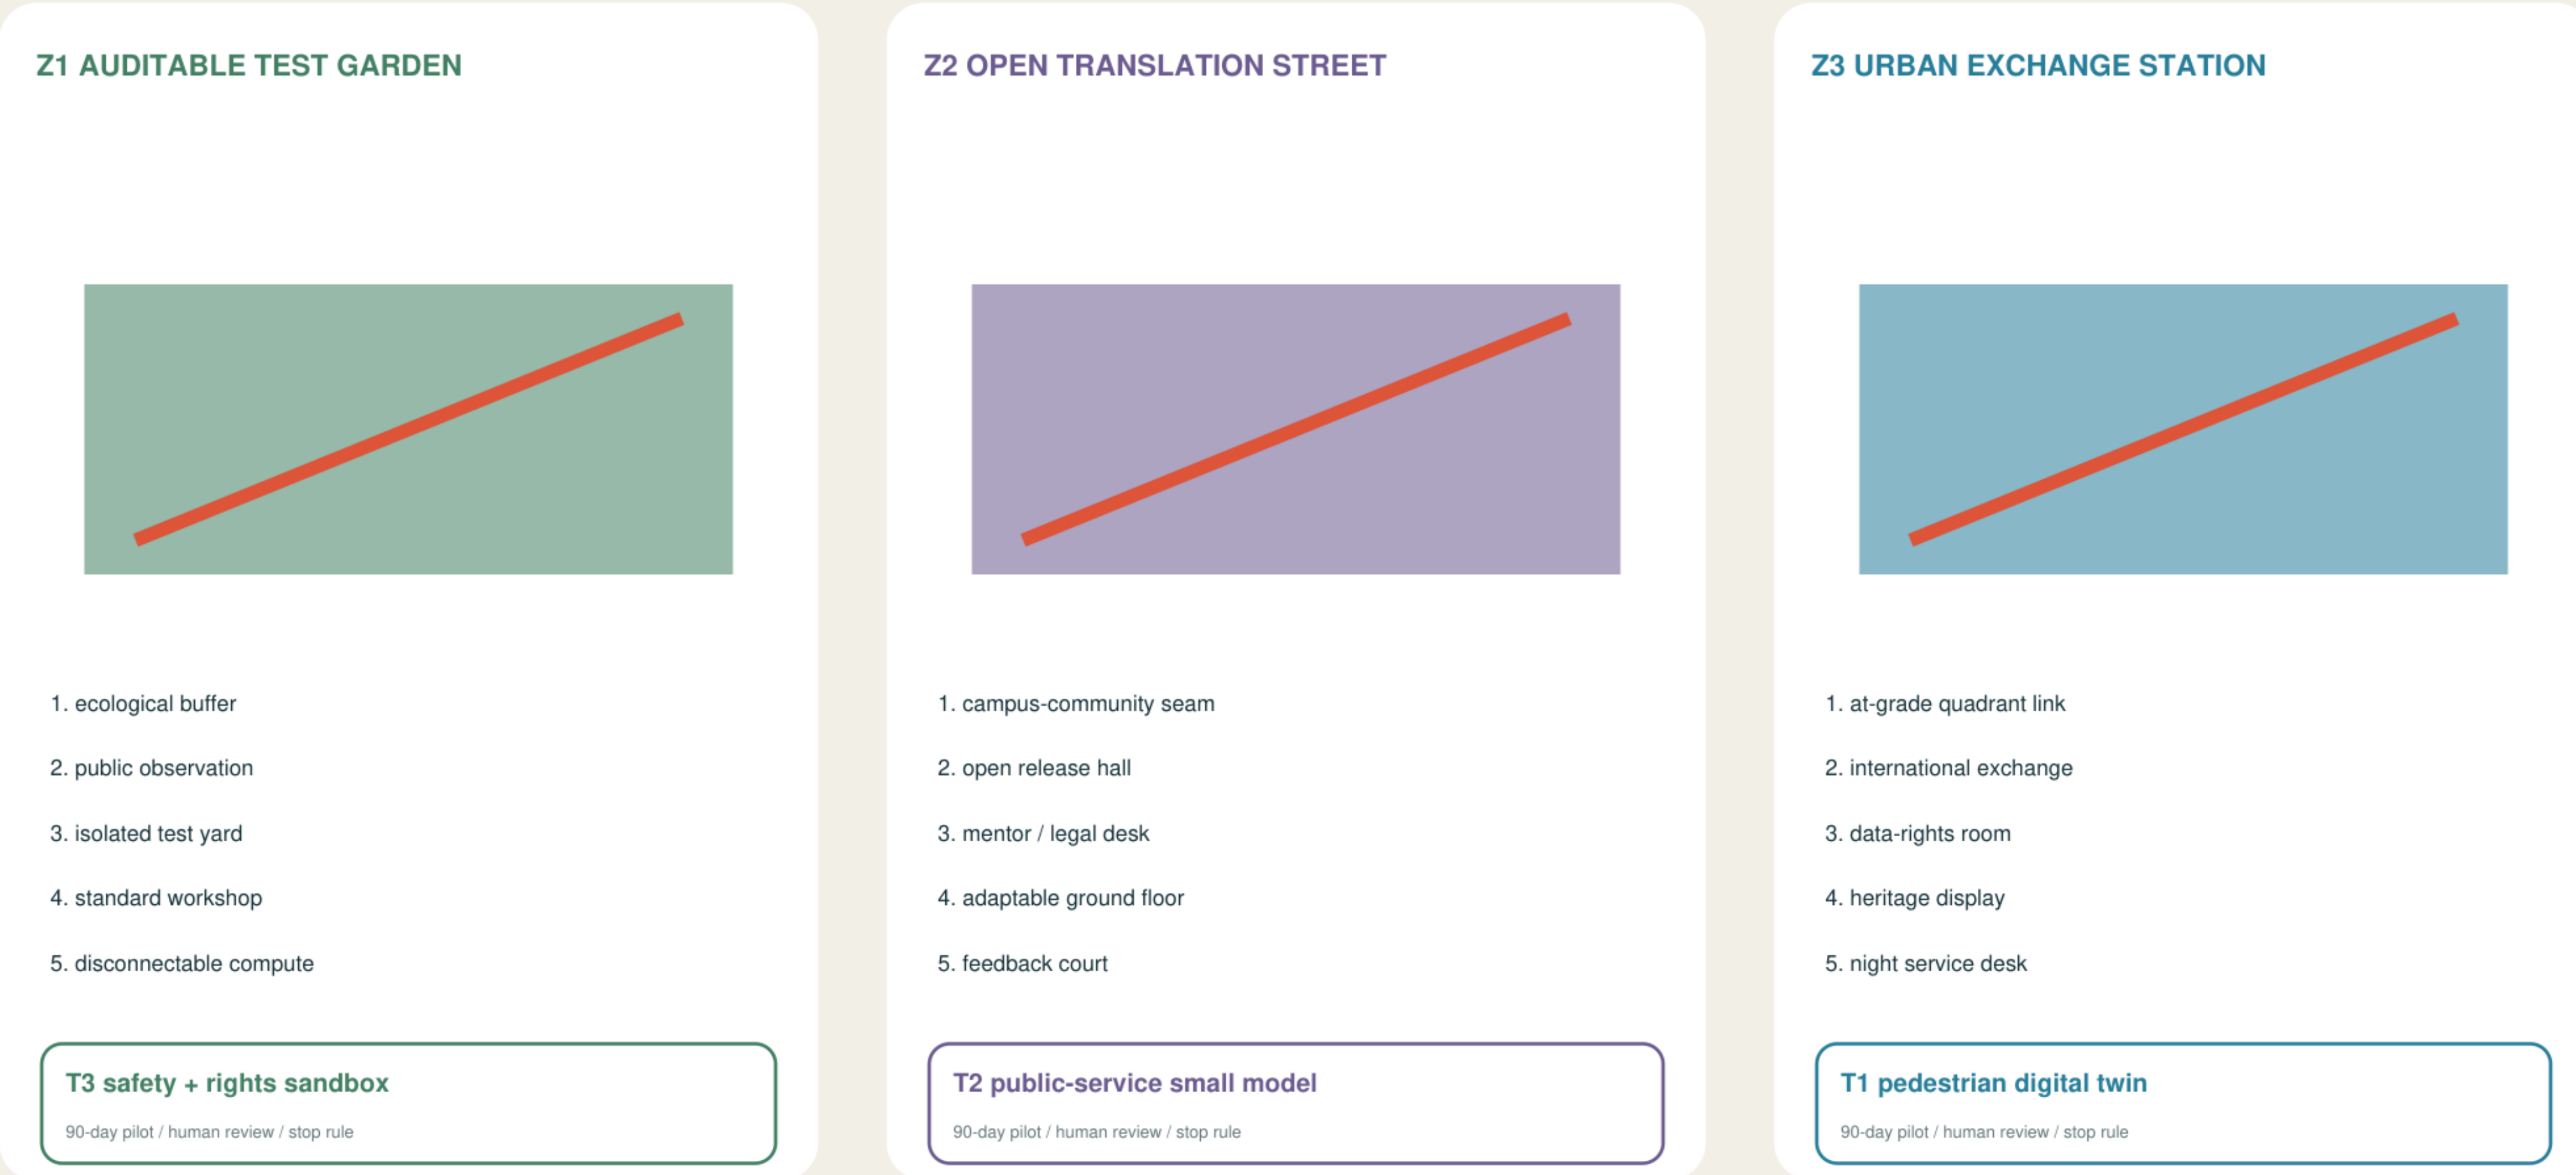

CONCEPT / PROVISIONAL

03 THREE KEY-AREA PROTOTYPES

Different permission structures, daily paths, and flagship tests

CONCEPT / PROVISIONAL

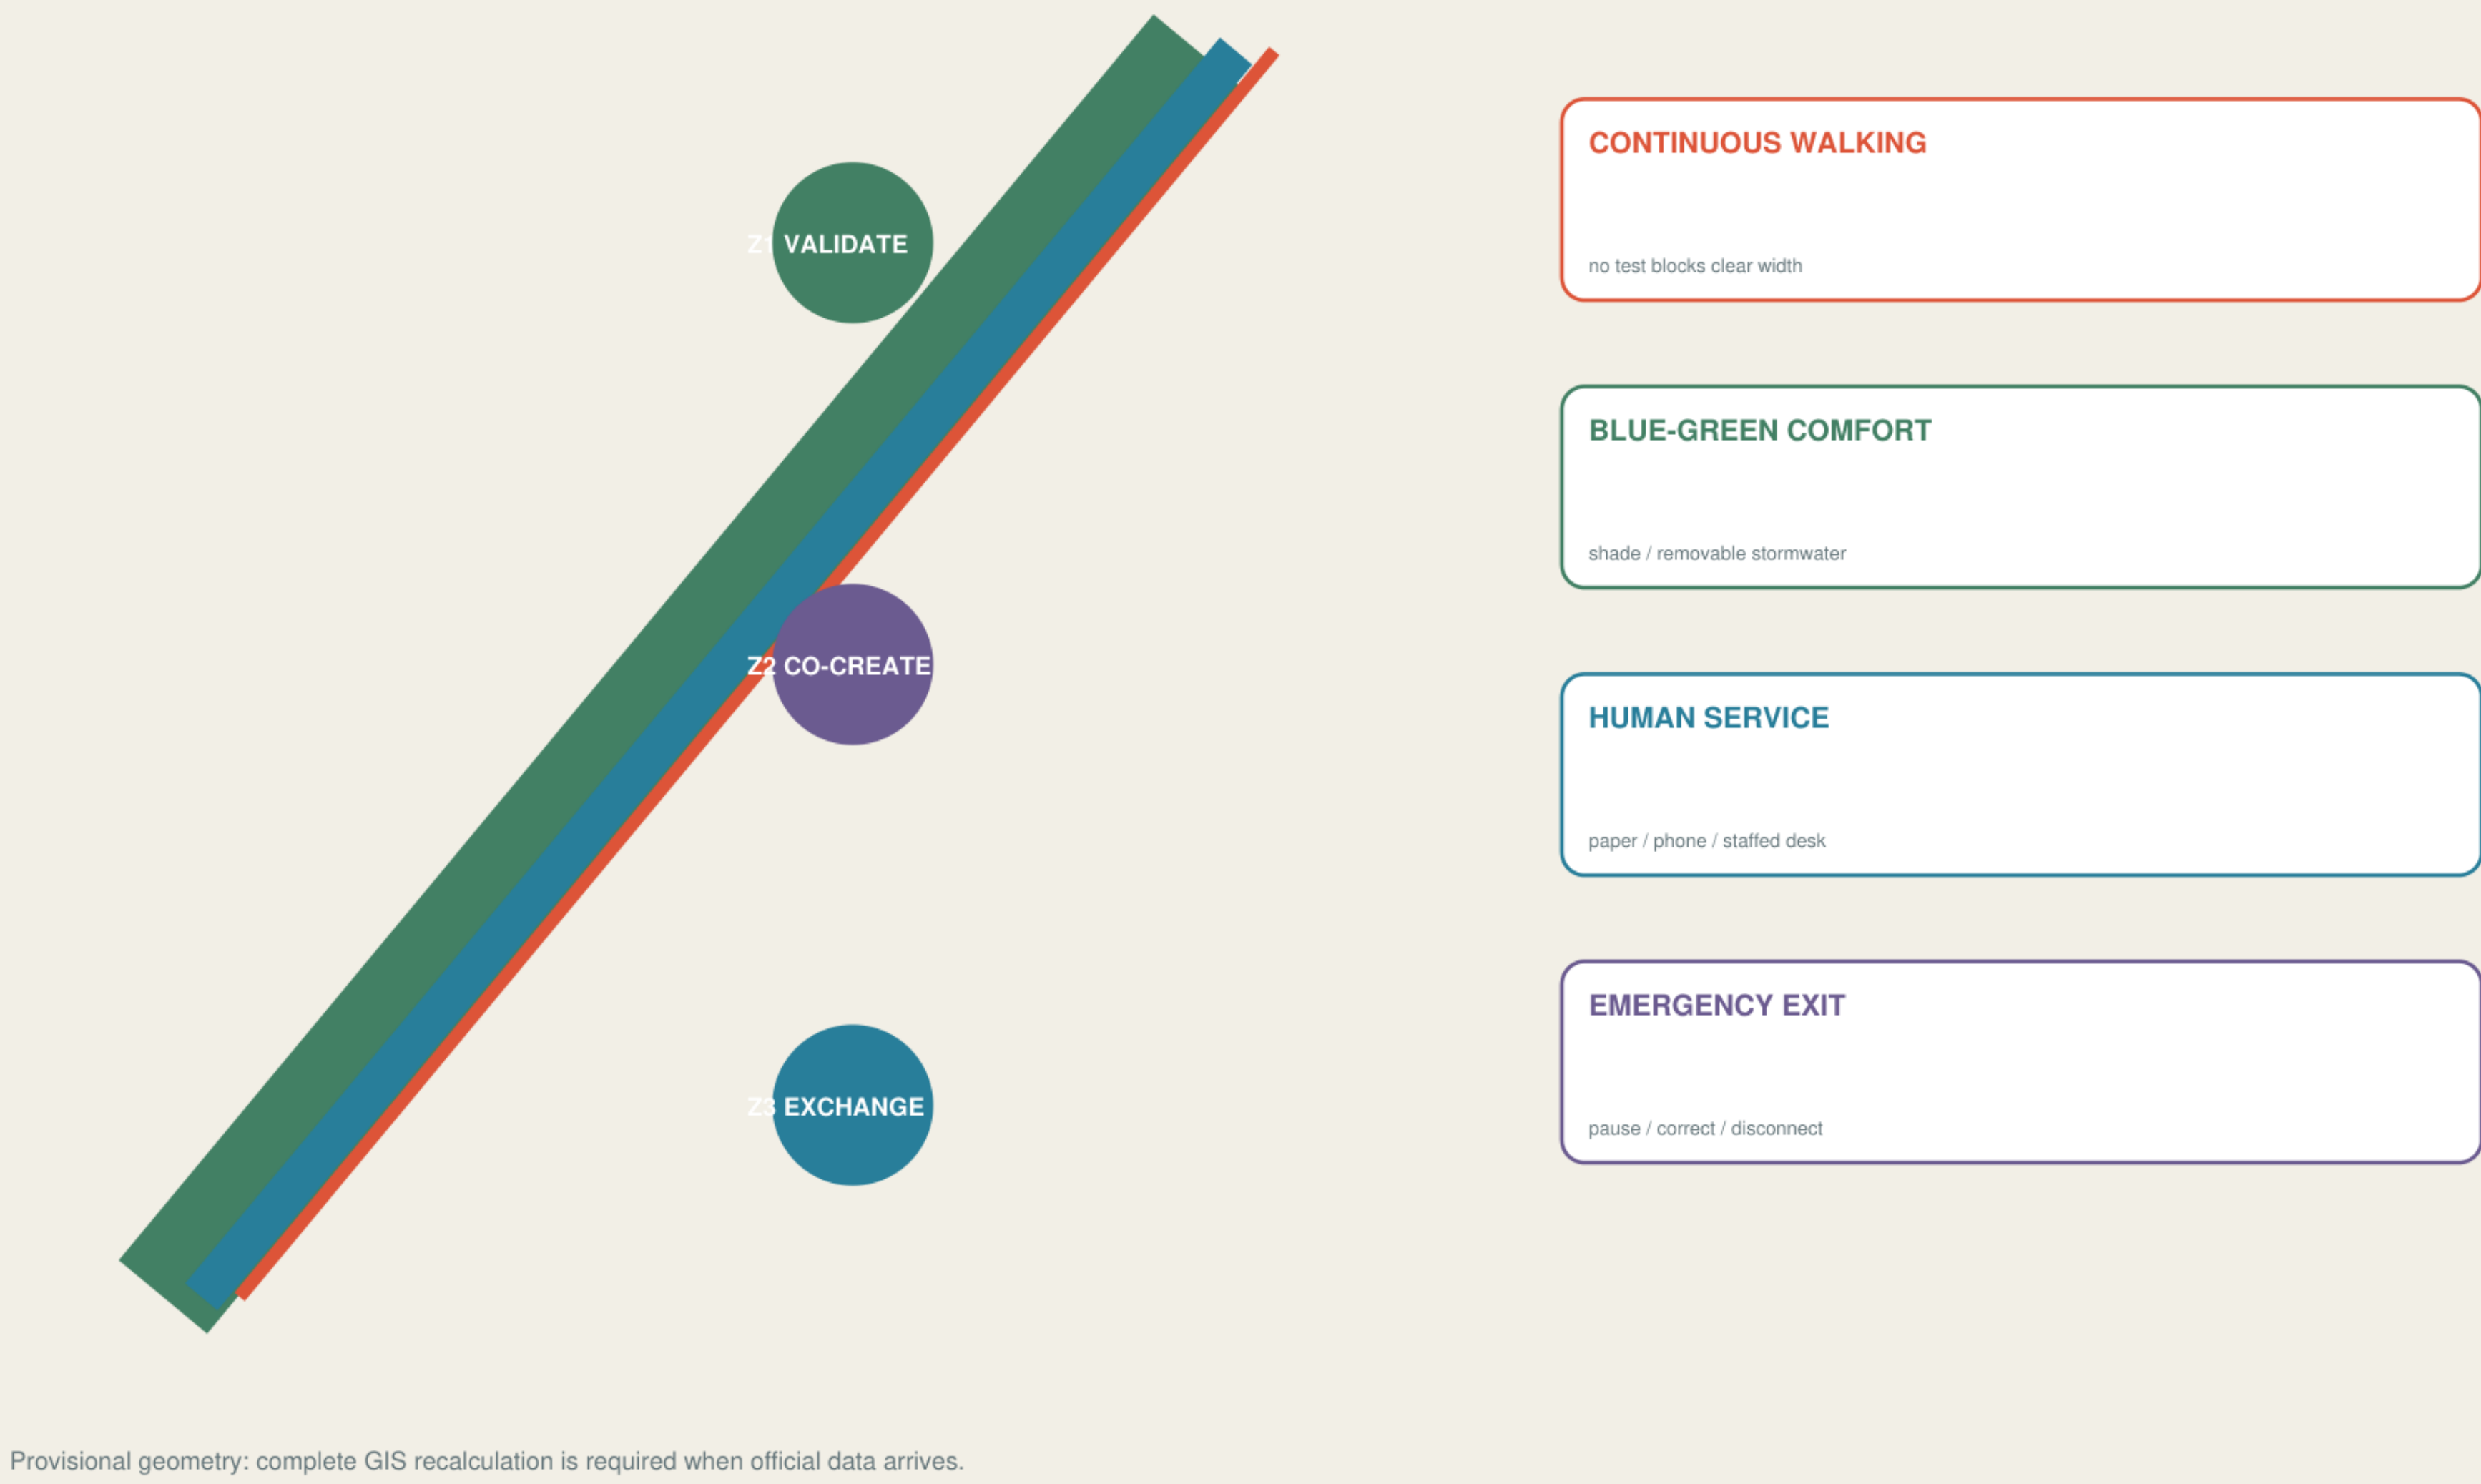

Internal actions are topological prototypes, not surveyed building footprints or approved projects.

04 WALKING + BLUE-GREEN + HUMAN SERVICE NETWORK

Public space is the common interface; digital access is never the only route

CONCEPT / PROVISIONAL

05 SIX DELIVERY GATES + STOP LOGIC

CONCEPT / PROVISIONAL

A pilot is not a one-way route to construction

Evidence: baseline -> permission -> pilot log -> takeover -> community feedback -> accept/stop -> 30/90-day review
