

Lunch gate first, AI second

Walkable: real doors at Qinghua East West, Wudaokou and Dazhousi. 500–600 m is a target radius.

Works unpowered: seats, shade, signs and a staffed desk stay up of fline.

Three AI jobs: buy water, staffed search, lost item. Fail to a person. No face ID.

The lunch view is an AI-generated concept, not a site photo
