

Jing-Zhang Ledger Line / Board 1

Public AI verification line - provisional geometry, evidence-led urban design

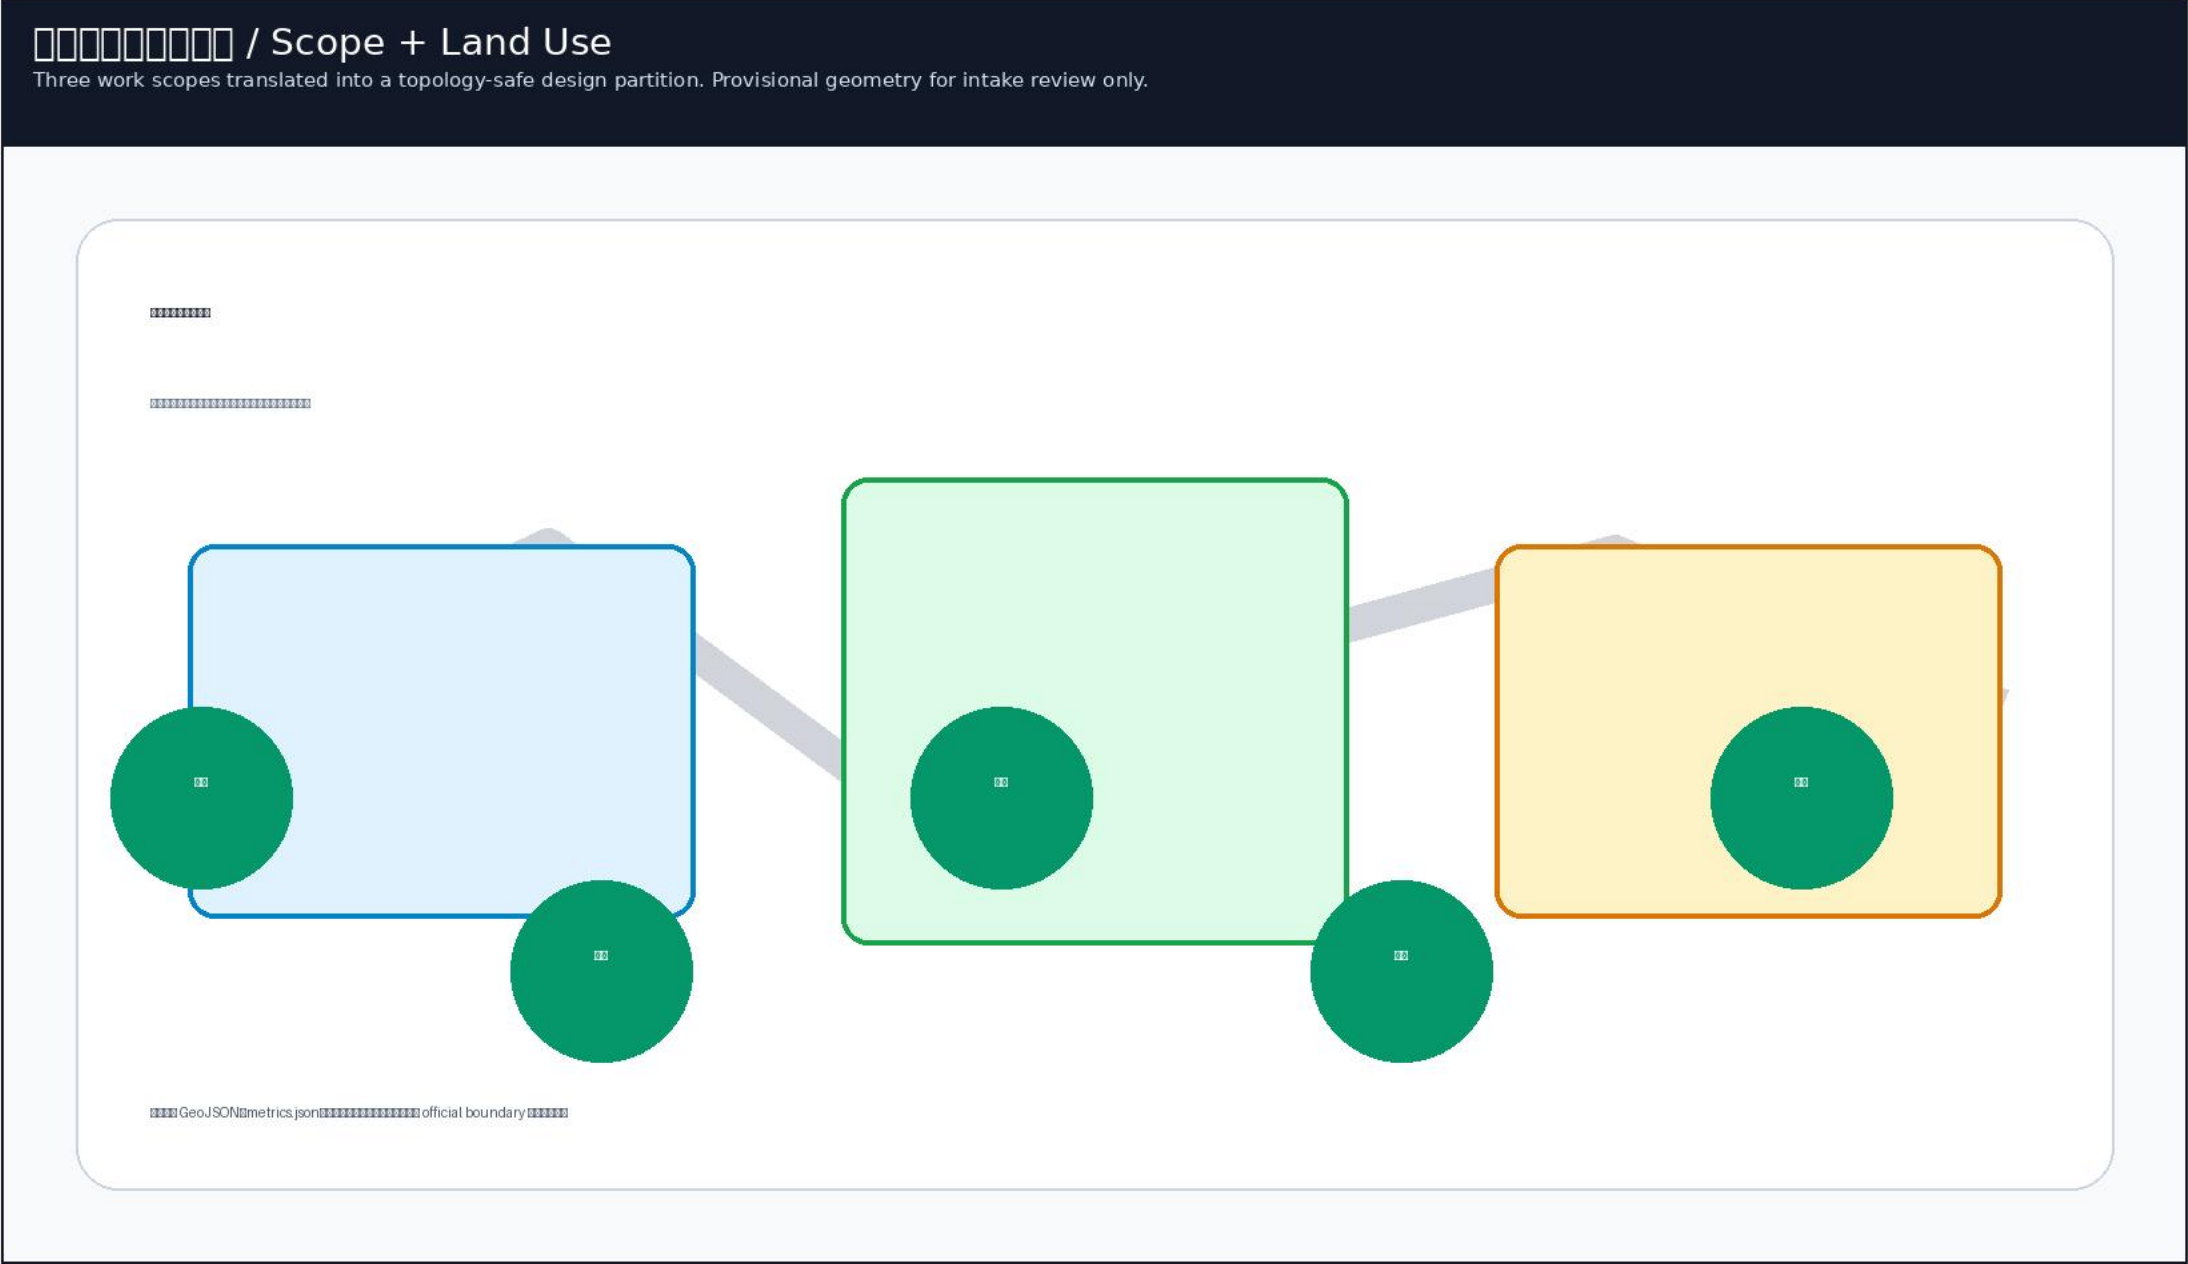

0000 / Evidence Overview

Source registry, provisional boundary, metrics, and submission package chain. Provisional geometry for intake review only.

Jing-Zhang Ledger Line / Board 2

Public AI verification line - provisional geometry, evidence-led urban design

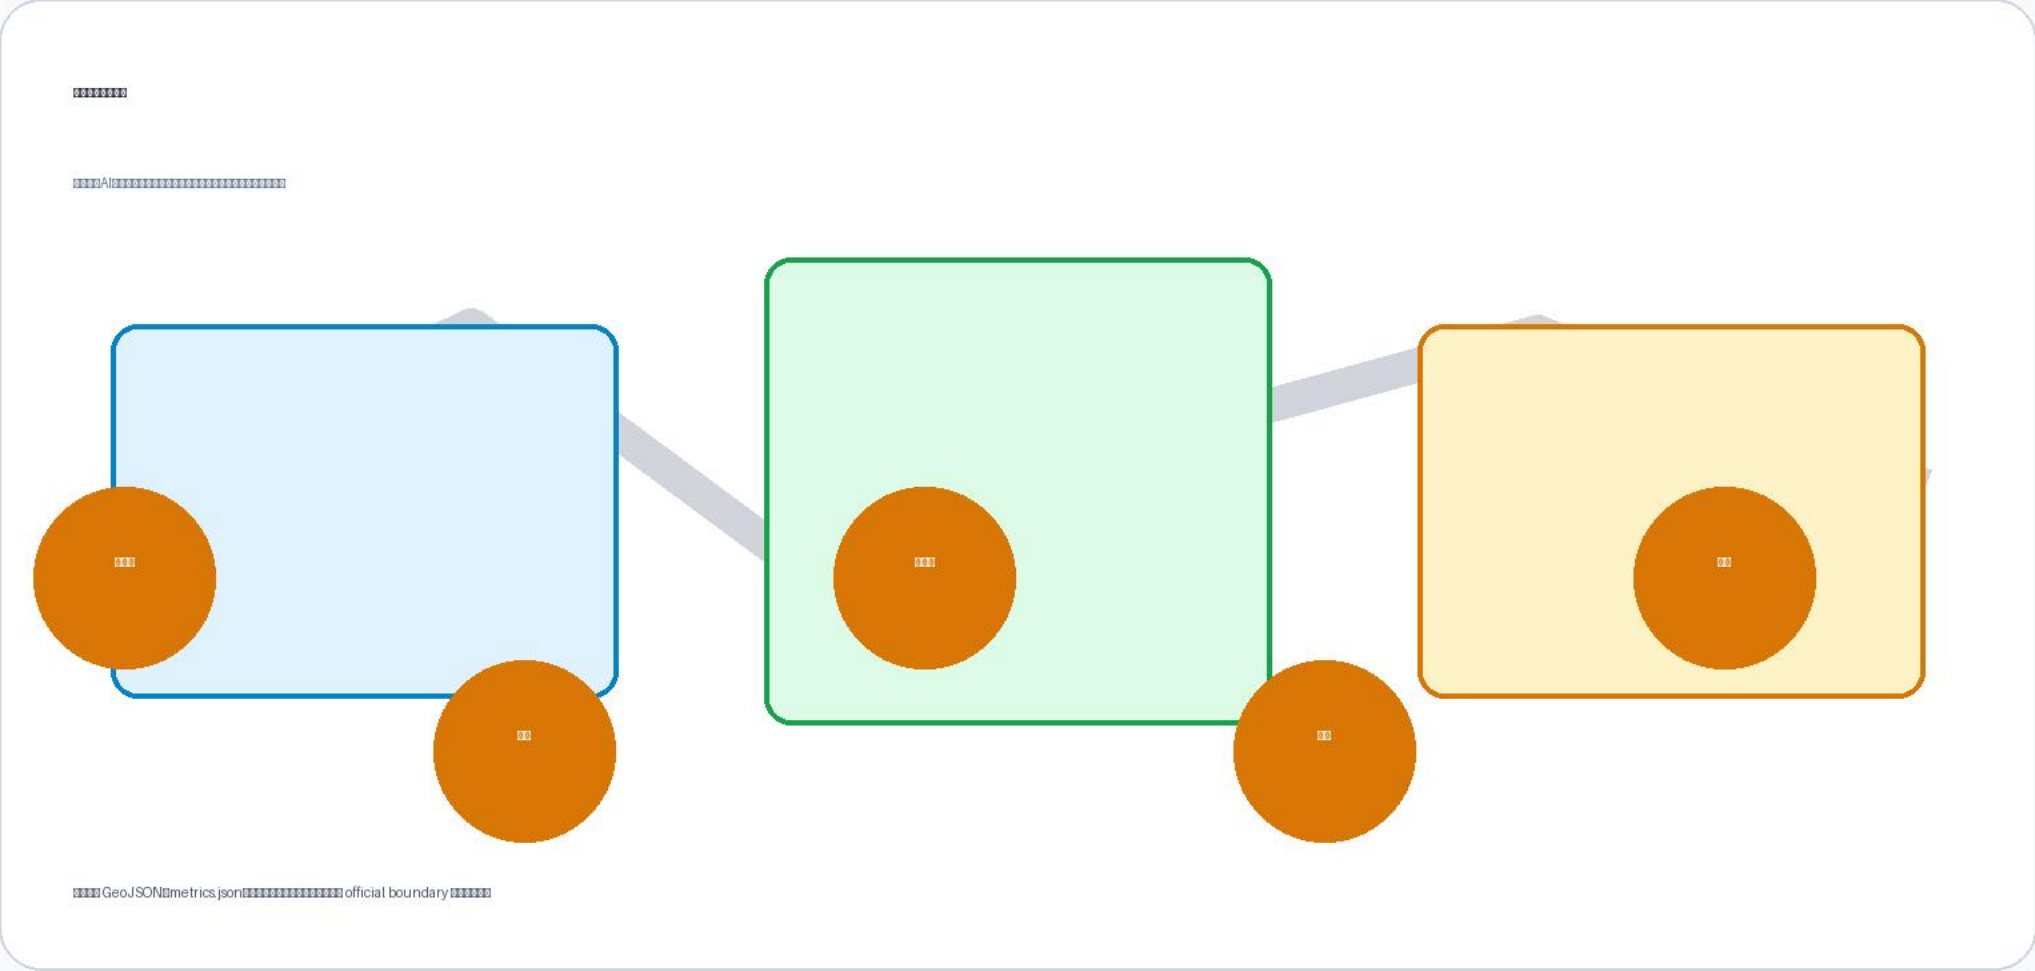

Jing-Zhang Ledger Line / Board 3

Public AI verification line - provisional geometry, evidence-led urban design

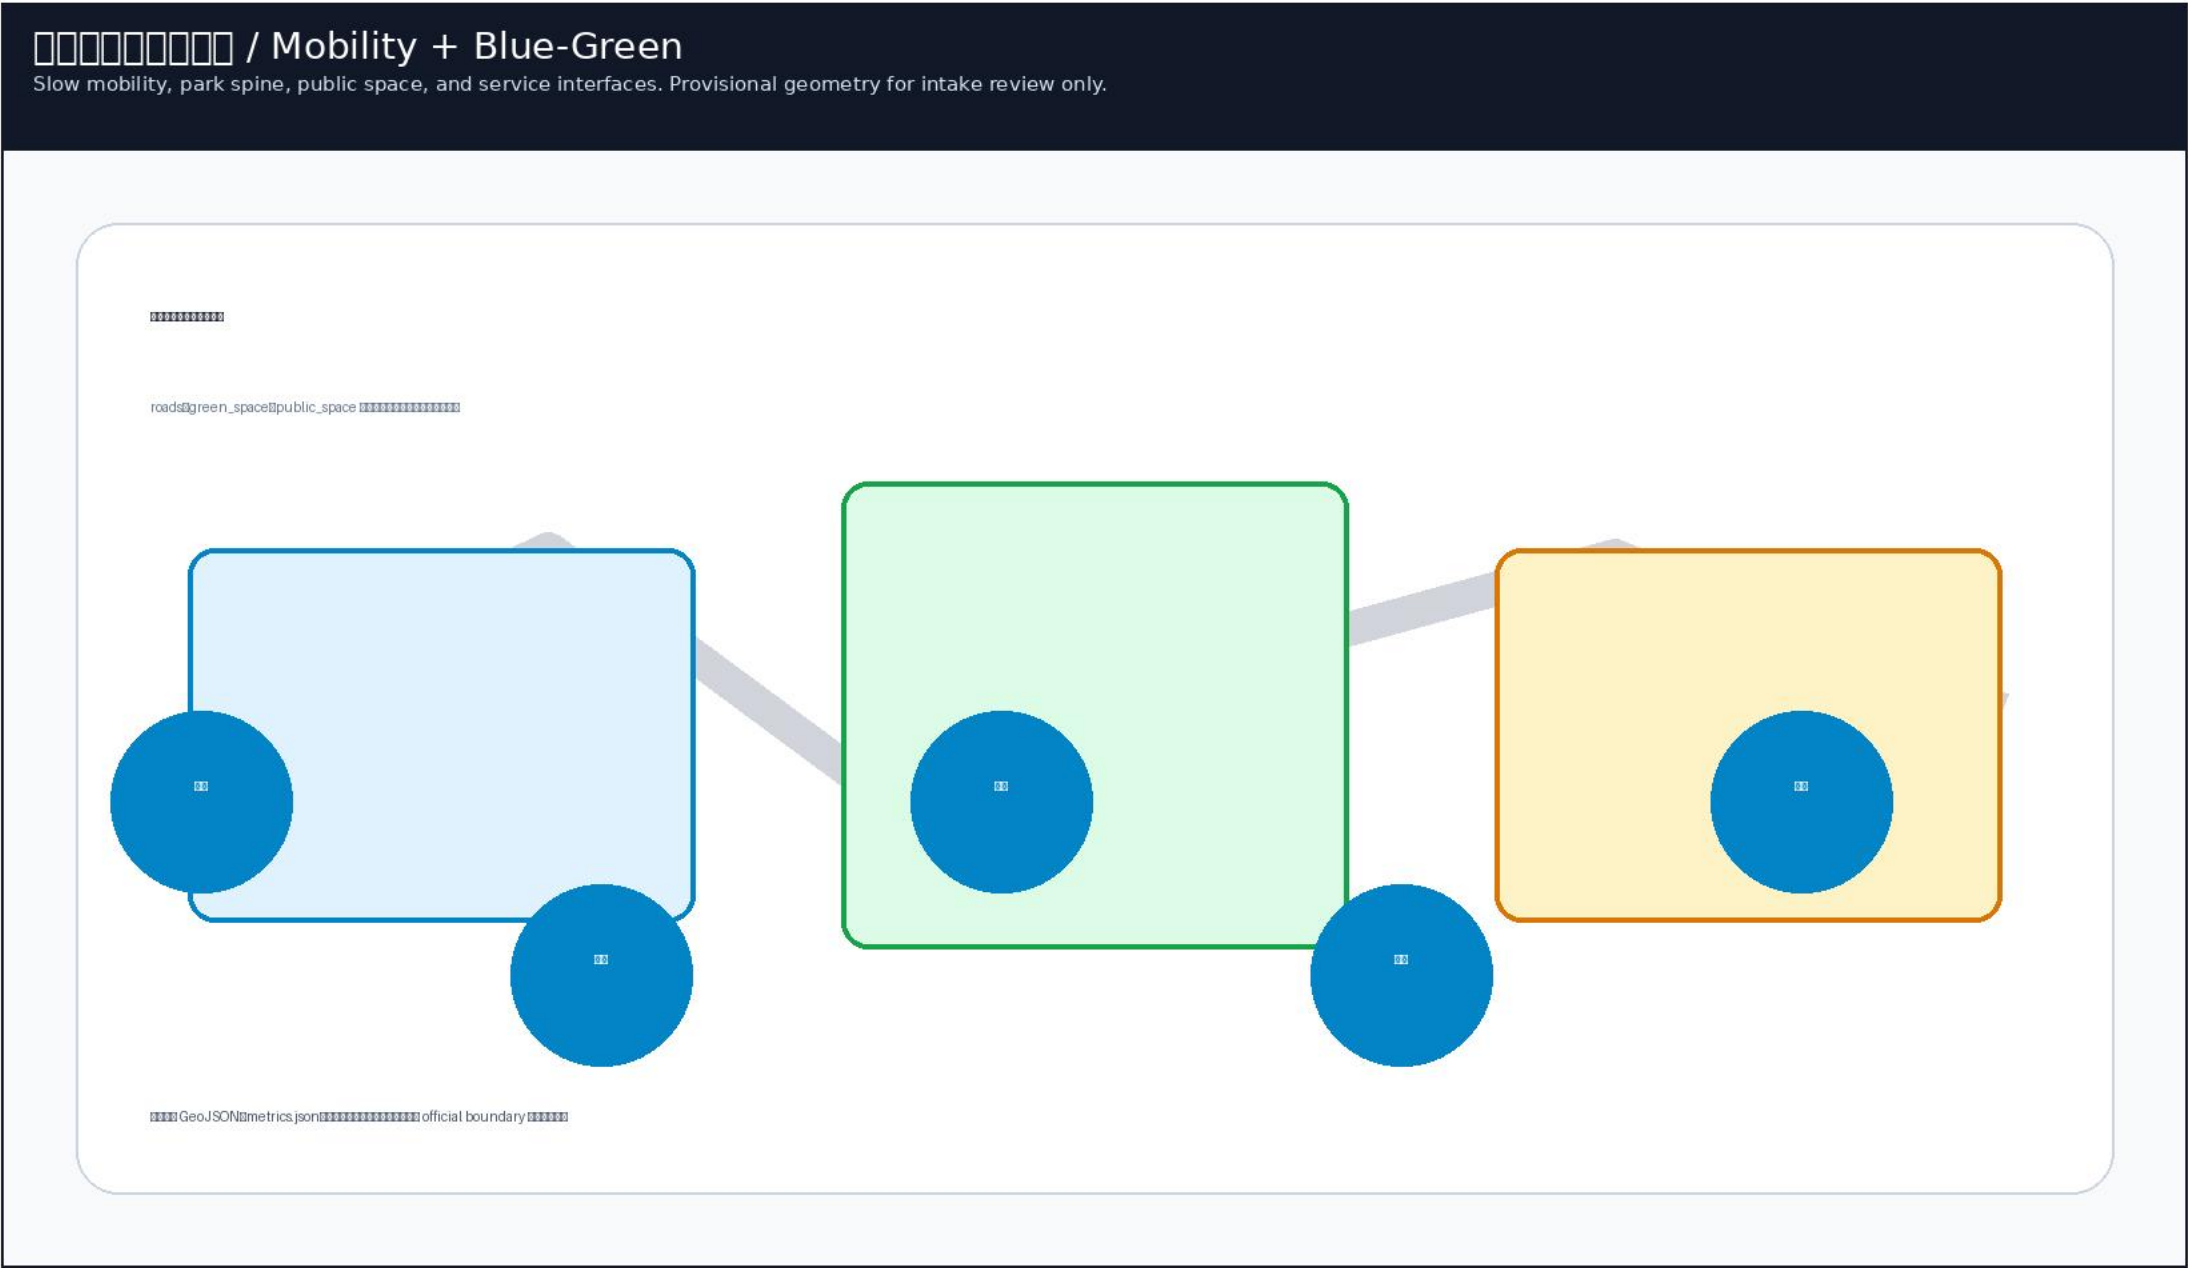

Key Areas / Key Areas

Three provisional key areas with design roles and recalculation note. Provisional geometry for intake review only.

Jing-Zhang Ledger Line / Board 4

Public AI verification line - provisional geometry, evidence-led urban design

Jing-Zhang Ledger Line / Board 5

Public AI verification line - provisional geometry, evidence-led urban design

0000 / Metrics Evidence

Known metrics, unknown controls, formulas, and source files. Provisional geometry for intake review only.
