

THE OPEN GROUND

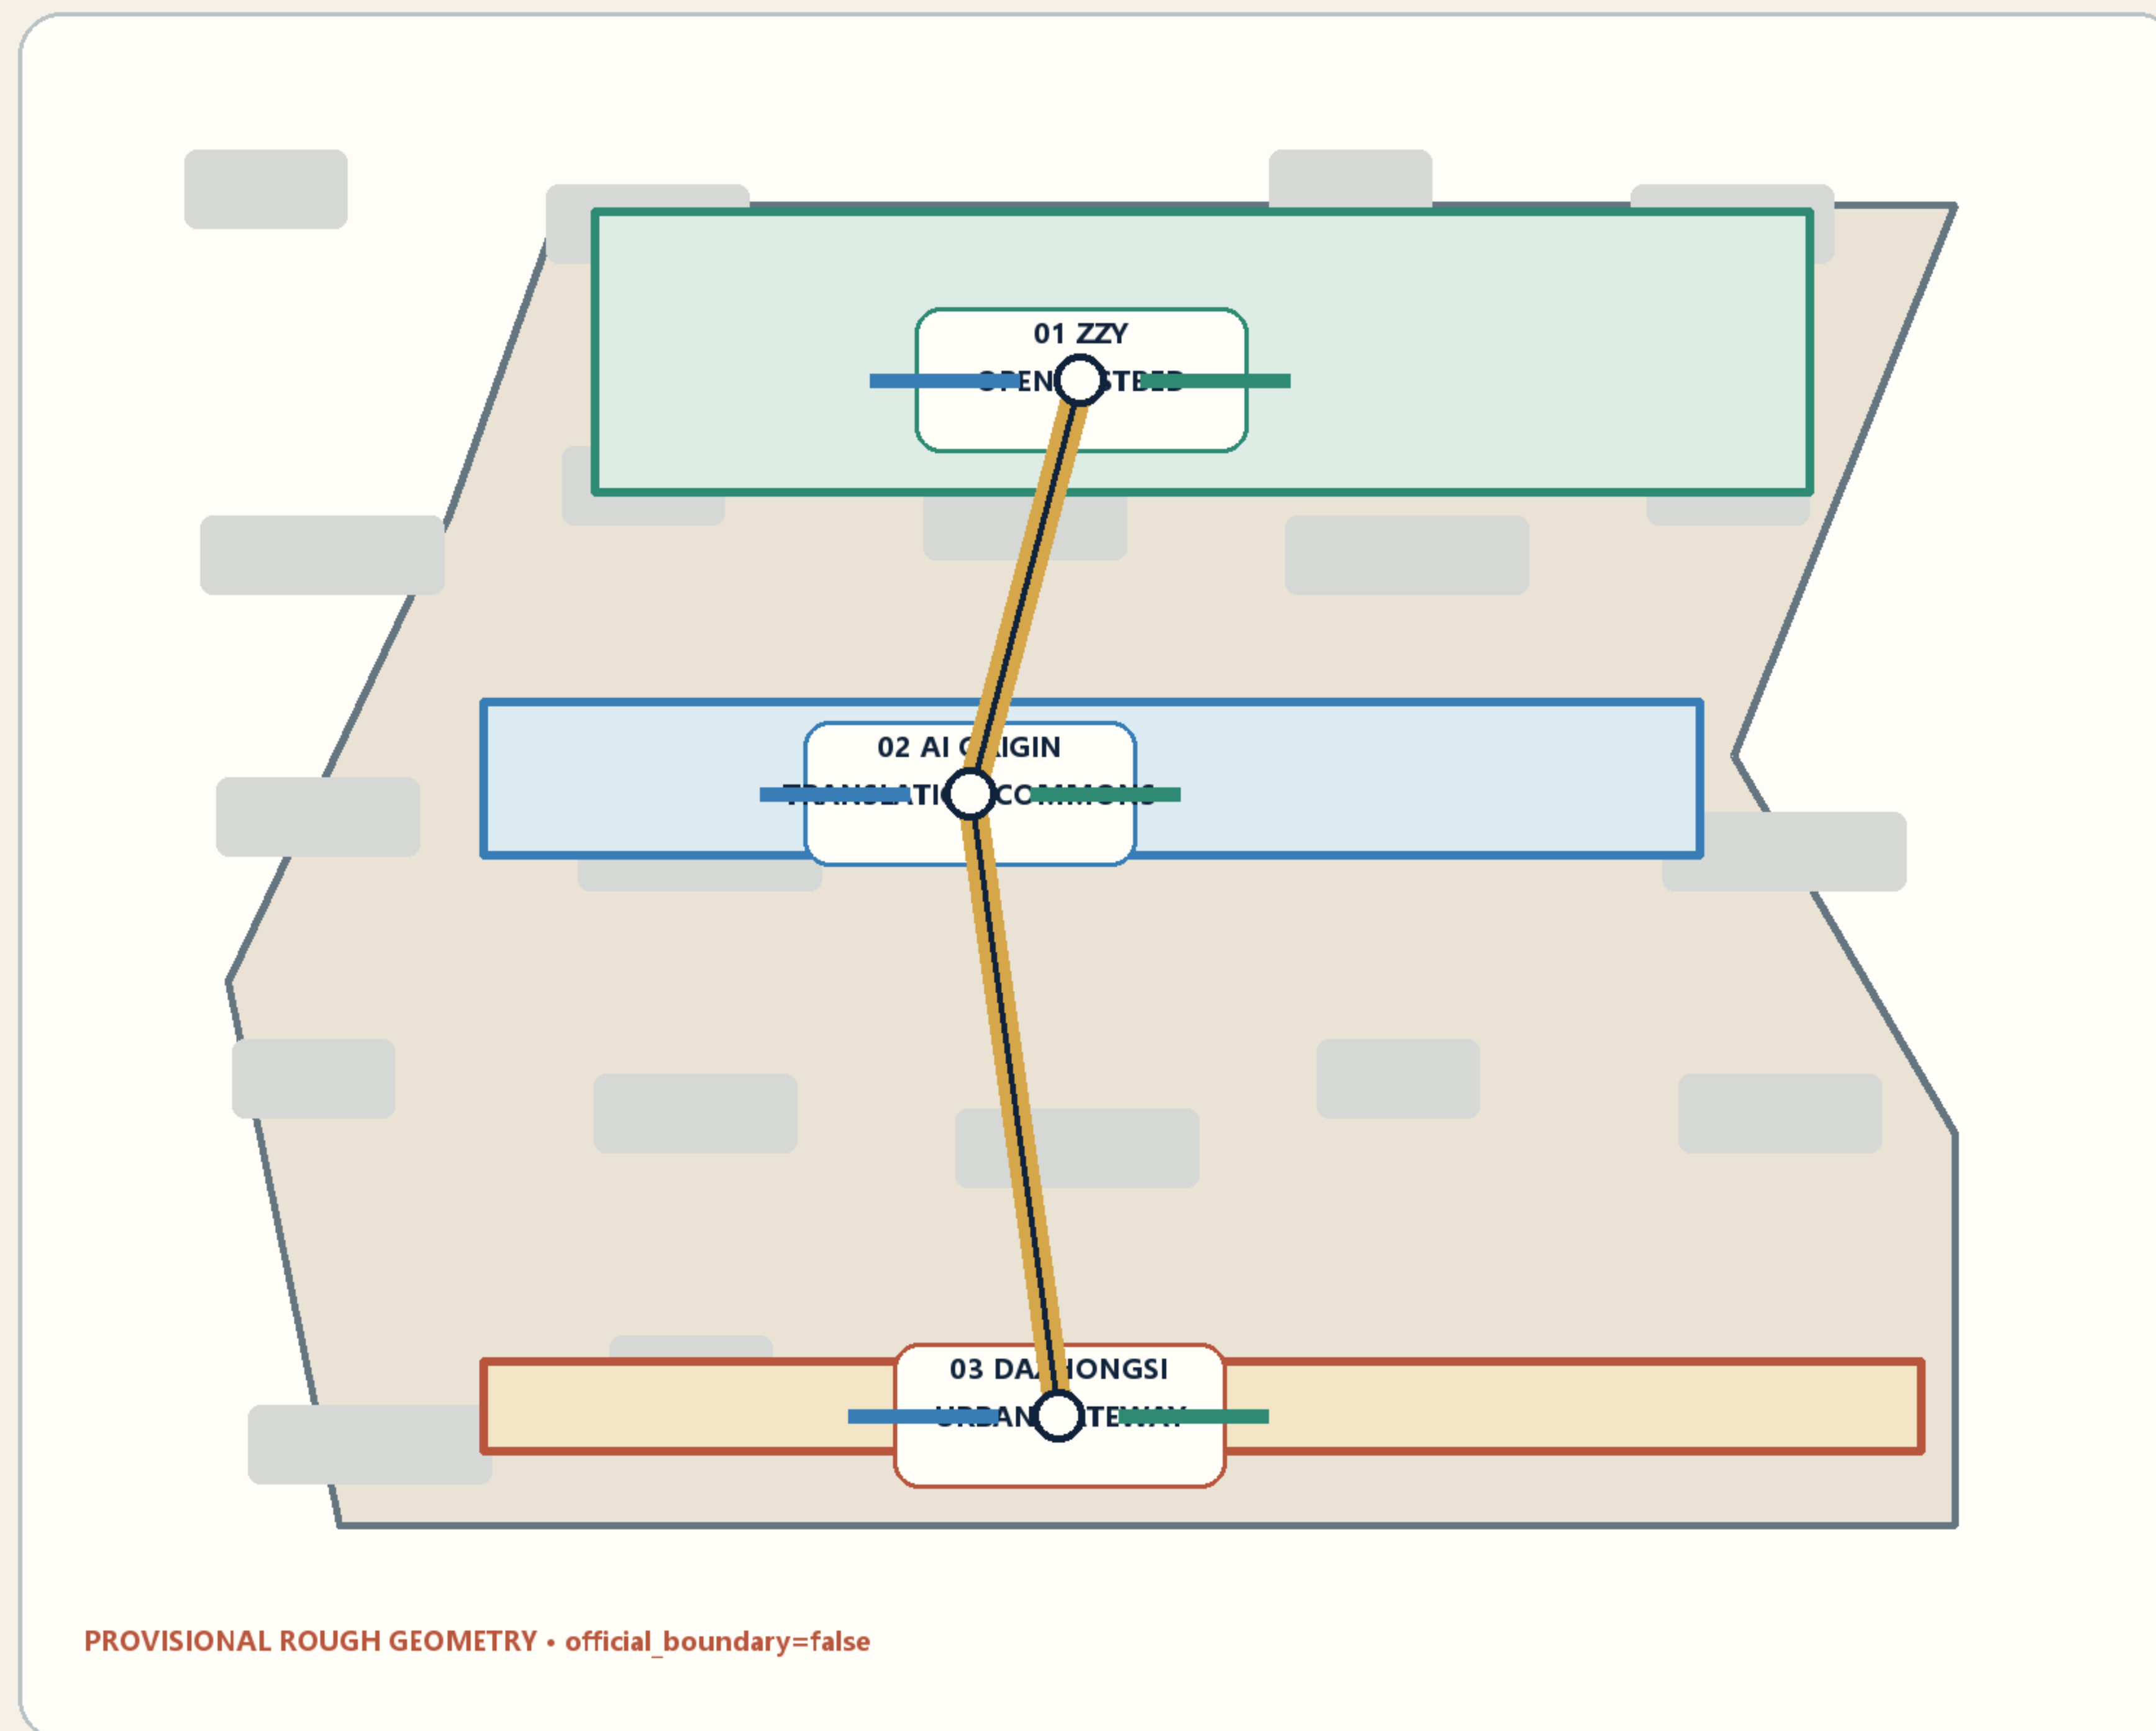

Before bringing AI out of the showroom, open the civic ground beneath it.

THE OPEN GROUND: ONE CIVIC SPINE, THREE URBAN PROTOTYPES

MOVE INNOVATION FROM CLOSED SHOWROOMS INTO UNDERSTANDABLE, REVERSIBLE CIVIC LIFE

FIG 01 • 总体 / OVERALL

OFFICIAL TEXT

43.6 km² research 11.4 km² overall design 368.4 ha key areas

THREE OPEN GROUNDS

TEST: make risk visible TRANSLATE: make service legible ADOPT: make innovation usable

TWO WINGS

ZHONGGUANCUN: knowledge + services
XIAOYUEHE: civic needs + real contexts

NEXT DECISION

100-day Evidence-to-Decision not construction; no auto-implementation

Open Testbed

Zhongzhiyuan AI Independent-Innovation Acceleration Area
