

ONE ERROR, EQUAL REMEDY

One confirmed systemic error must not become repeated proof for every silent co-affected person.

01

System error confirmed by a named professional

02

Minimum impact scope and human inclusion/exclusion

03

No-repeat-proof remedy with original order preserved

04

Omission / false inclusion appeal and link deletion

THREE KEY AREAS

Version tracing · impact-scope review · four-channel remedy and independent appeal.

01

System error confirmed by a named professional

02
