

One Person, One Task, One Place

Follow the ordinary task before judging side-positioned proof

5 ACTIONS

Arrive—understand—complete—correct or withdraw—leave.

30 / 3 / 15

Follow an ordinary task—read the spatial ruling—trace evidence and professional handoff.

Present-day Haidian and Overall Spatial Structure

PRESENT-DAY HAIDIAN

Published material reports an open Phase II and about nine kilometres of continuous green corridor. The proposal does not claim another park; it considers reversible public-service additions that do not interrupt existing daily life.

Three Non-interchangeable Spatial Prototypes

Three Ground—Threshold—Ordinary-task Relations

ZHONGZHIYUAN

01 VERIFY • ZHONGZHIYUAN / PARALLEL SECTION
Bypass below / proof court above

FAILURE: enclosure and equipment leave; bypass stays
RESTORE: clear court, then recheck; not G1

ORIGIN COMMUNITY

02 CO-CREATE • ORIGIN / STREET-COURT SECTION
Street through / two courts back

FAILURE: proof withdraws to the edge; street and courts continue
RESTORE: paper/spoken/staffed first; restart remains a decision

DAZHONGSI

03 PUBLISH • DAZHONGSI / COMMUTE SECTION
Commute clear / service aside

FAILURE: close the service side only; commute remains
RESTORE: correct sources and retest; not authorization or approval

CONDITIONAL FIT

Continuous bypass first; equipment-side court isolatable.

CONDITIONAL FIT

Resident street first; two courts and four nodes withdraw independently.

CONDITIONAL FIT

Four-way commute first; information and staff stay off-route.

Human Scale and Four-state Civic Signals

RECOVERY != AUTHORIZATION

Official redline, exact anchors, real thresholds, responsible parties, approvals and independent clearance remain 0 or unknown. Restoring ordinary use is not authorization, approval, restart or G1.

Eight Projects, Climate and Year-round Operations

8 PROJECTS • GO / NO-GO

PRECONDITION / STOP / RETURN

The eight existing projects state preconditions, duty combinations, concept acceptance and exit. Missing ordinary baseline, staff takeover or accepted duty retains GO / NO-GO.

CLIMATE + MAINTENANCE

STOP / RETURN

Ordinary blue-green paths and maintenance clearance work first; extreme weather or maintenance conflict closes the optional overlay.

YEAR-ROUND OPERATIONS

STOP / RETURN

The timetable records opening, stopping, place return and review only; it invents no roster, shift, budget or event commitment.

Metrics, Risk, Rights and Professional Handoff

One Conclusion: Ordinary Life Does Not Yield to Verification

ORDINARY GROUND STAYS CONTINUOUS.
VERIFICATION STAYS BESIDE IT.

ORDINARY FIRST

Complete the meta-task without account, device or AI.

VERIFICATION BESIDE

Voluntary, announced, bounded, stoppable and removable.

FAILURE STOPS THE OVERLAY

Staff, ordinary route, correction and exit continue.

RECOVERY DOES NOT AUTHORIZE

Return the place before review; material gaps retain G0 / NO-GO.

G0 • PROVISIONAL • NO-GO

Official redline, exact anchors, real thresholds, responsible parties, approvals and independent real-world retest remain zero or unknown.
