

A0 Boards EN / Board 1

Jing-Zhang Proof Commons - provisional geometry, evidence-led AI urban design package

0000 / Evidence Overview

Source registry, provisional boundary, metrics, and submission package chain. Provisional geometry for intake review only.

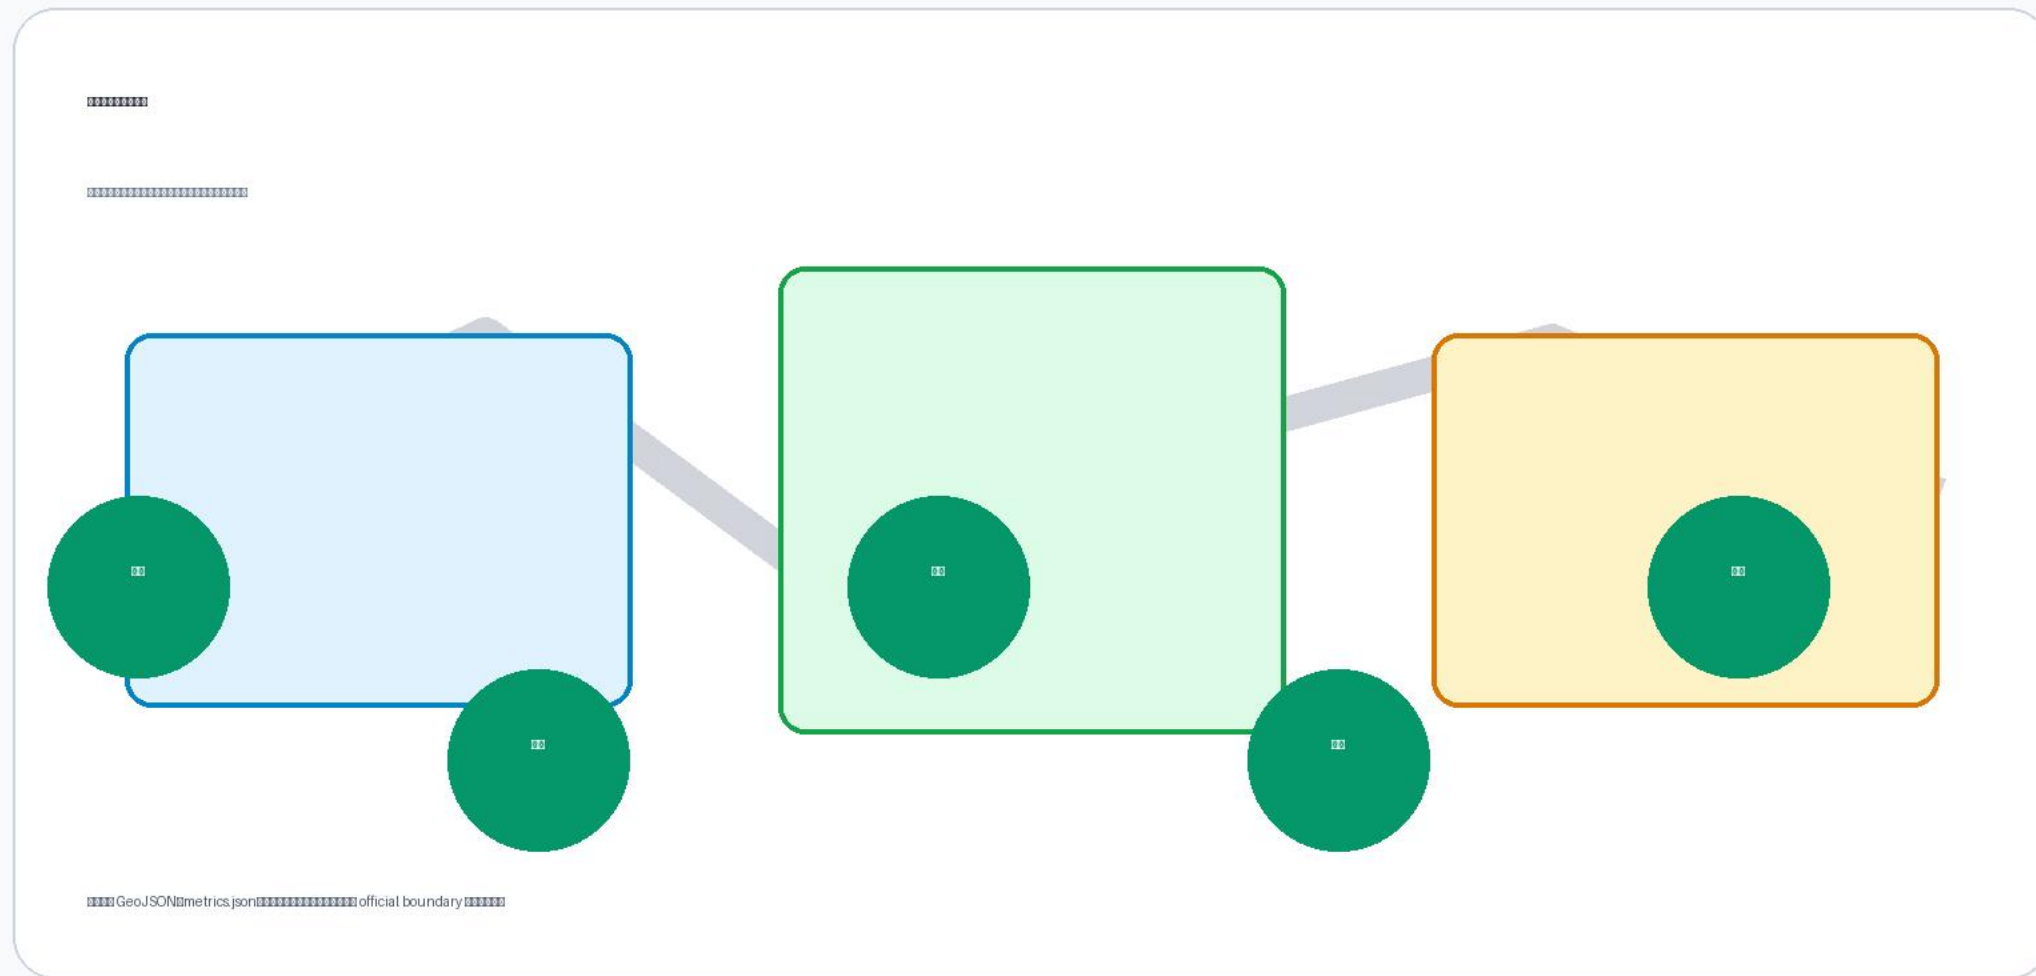

A0 Boards EN / Board 2

Jing-Zhang Proof Commons - provisional geometry, evidence-led AI urban design package

□□□□□□□□ / Scope + Land Use

Three work scopes translated into a topology-safe design partition. Provisional geometry for intake review only.

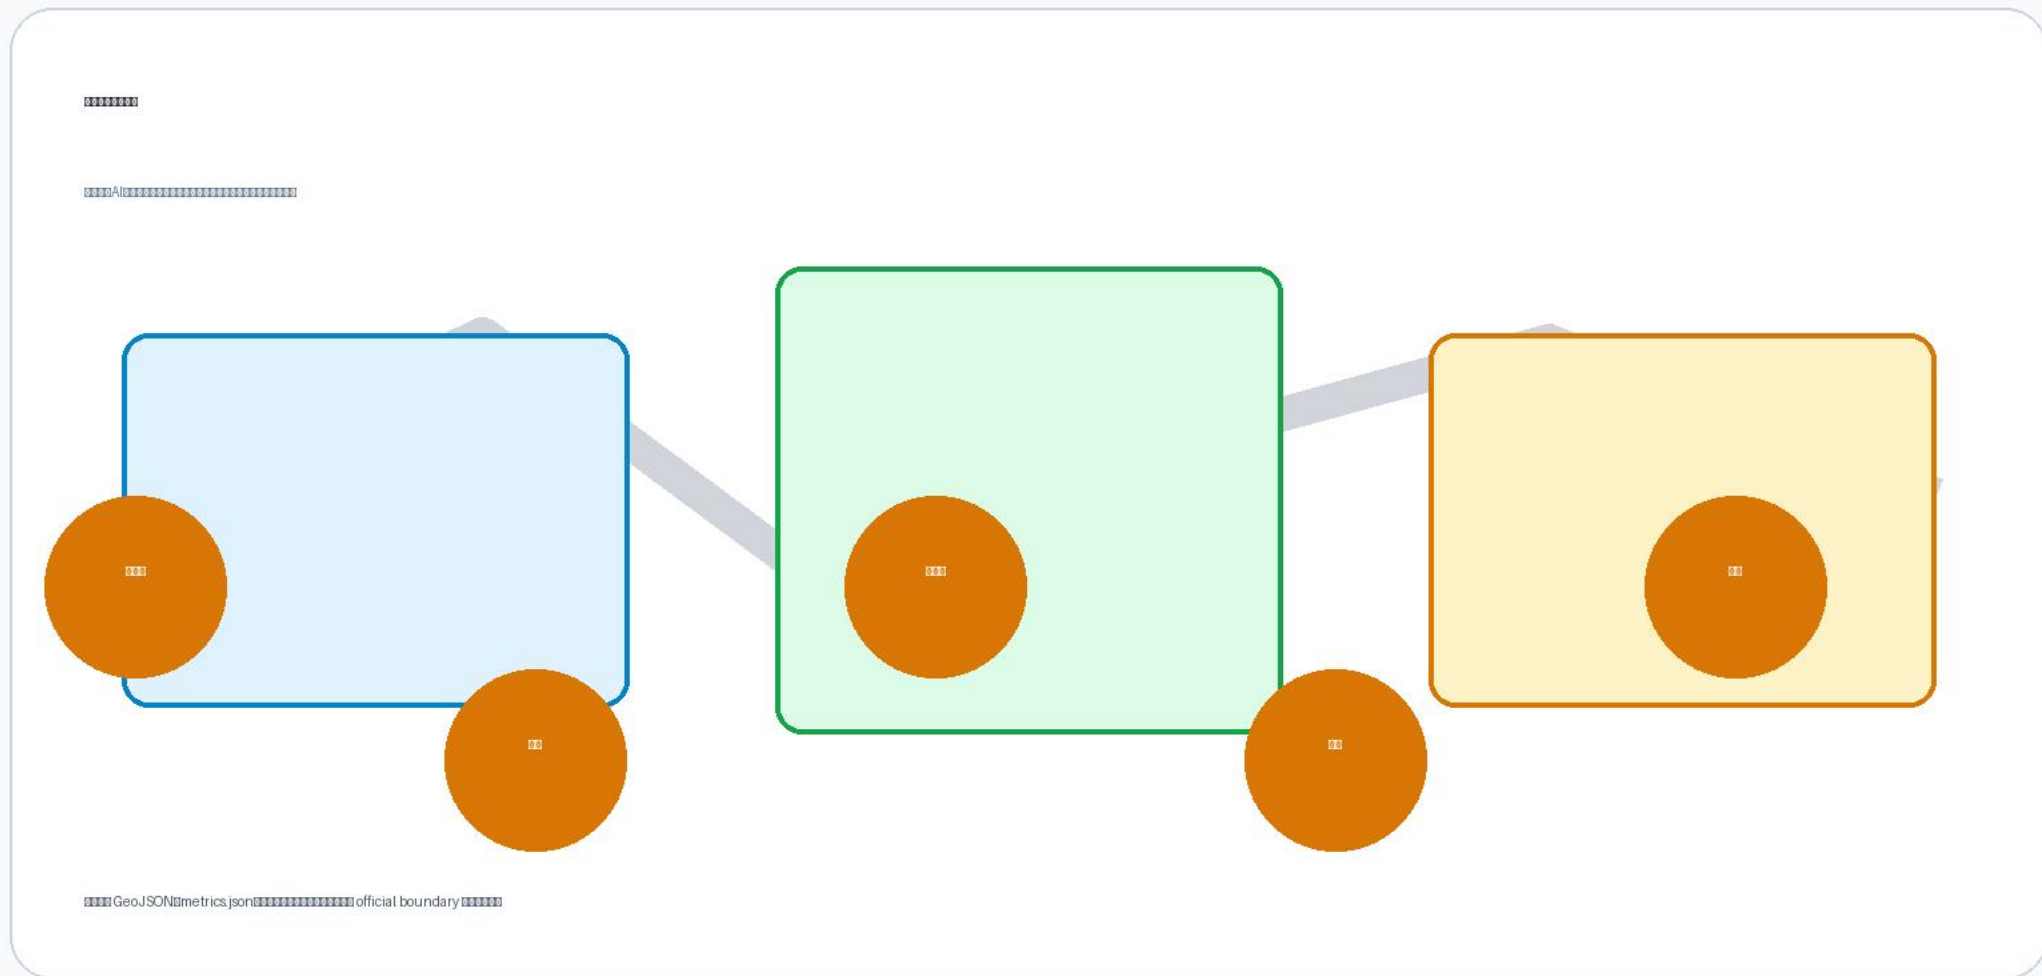

A0 Boards EN / Board 3

Jing-Zhang Proof Commons - provisional geometry, evidence-led AI urban design package

□□□□ / Key Areas

Three provisional key areas with design roles and recalculation note. Provisional geometry for intake review only.

A0 Boards EN / Board 4

Jing-Zhang Proof Commons - provisional geometry, evidence-led AI urban design package

□□□□□□□□ / Mobility + Blue-Green

Slow mobility, park spine, public space, and service interfaces. Provisional geometry for intake review only.
